Hello,

I hope this email finds you in good health. As a continued effort to help you maintain good health, and to make sure that you are functioning at your optimum physical abilities, I would like to provide care that is economical for all of my patients. I want to make a special offer to you, because I value you as a patient, as well as your health.

I would like to introduce you to **THE SF and SC MAINTENANCE PROGRAM**. This program is designed to provide services at an affordable rate, for those who enjoy and/or need the benefits of chiropractic care as a preventative measure. There are **NO INSURANCE CLAIMS** processed with this program.

***Here are the benefits for this program:***

2 Chiropractic and Active Release Techniques (ART) Treatments for \$50 per month

4 Chiropractic and Active Release Techniques (ART) Treatments for \$85 per month

**If you meet the following criteria, than you are eligible for this program:**

1. The option that you choose will be deducted from a debit or credit card, on the 1st OR 15th of each month (your choice), and the 1<sup>st</sup> payment will be due at time of purchase, at a prorated rate.
2. There is **NO CONTRACT** involve, so all we ask is for a 30 DAY, WRITTEN NOTICE of cancellation.
3. This is a plan for MAINTENANCE CARE ONLY; therefore, you have to be beyond active care (meaning, out of your care plan of 2 or 3 days per week) to participate in this program.

When you call to sign up for **THE SF AND SC MAITENANCE PROGRAM**, you'll get **\$10 off** your 1<sup>st</sup> month of enrollment.

I look forward to providing great chiropractic care, at the best rate imaginable.

Sincerely,

Dr. D. Lamont Smith (Chiropractor)
