

Let Mars guide you
You must remove the rigid craters
Craters that embrace
Embrace your fear and create a gap
Gap that is turning into an abyss
Abyss, you can seal it
It can be leapt with a springing jump of faith
Faith is a communication
Communication that can eliminate
Eliminate misunderstanding
Misunderstanding takes away tact
Tact for a better future
Future in just a word
Word when spoken by others
Others will separate the force
Force open the channel
Channel can be changed within a moment
Moment that causes an effect
Effect is key
Key the issue to resolve
Resolve with a cool head
Head towards the circling of Mars
Mars is your guide
Guide your strength to the middle
Middle of November, December
December things will start again
Again can be better
Better for you and others
Others look for a role model
Model your life to what you want it to be
Be a better man
Man the woman's heart
Heart not only beats but sails
Sails like a ship
Ship away the negativity
Negativity suffocates the mind
Mind the auspicious period of time
Time will boost your life
Life is only completed by one
One can better a second
Second chances are given to make things stable
Stable and close for a great future
Future healing, scarring, love and cherish
Cherish and enjoy to the full extent intended
Intended for you, me, him, her, them, they
They will discuss
Discuss the formalities of coming together
Together under one roof to supervise
Supervise changes
Changes are needed daily
Daily gifting as if Christmas is never ending
Ending?
Take a breath
It's not
