

Join Us in Celebrating EMS Week!

The 45th annual National EMS Week is May 19-25.

Aspirus is proud to partner with area EMS agencies to provide our communities with the best possible patient care. We value these vital relationships and are committed to providing the support services and resources that allow all area agencies to enhance skills and advance the level of care in all of our service areas.

To honor the dedication and service you provide to your communities and recognize the value in our partnerships Aspirus MedEvac invites you to attend the following events:

May 21, 2019 | ASPIRUS IRONWOOD HOSPITAL

Lisa Ebert Stroke Coordinator will present on the Management of Stroke Patients.

May 22, 2019 | ASPIRUS WAUSAU HOSPITAL – MEDALLION ROOM

Dr. Benedetti will present on the Initial Management of Pelvic Trauma. Benedetti is a fellowship trained orthopaedic trauma surgeon. A graduate of the military medical school, he completed 20 years of service in the U.S. Air Force and is a veteran of numerous deployments in support of combat operations.

May 23, 2019 | ASPIRUS IRON RIVER HOSPITAL

Brennan Cook BSN, CCEMT-P, Aspirus MedEvac will present on Cardiology and EKG's for ALS and BLS.

All events begin at 5:30 pm with a light meal and presentation starting at 6:00pm

Open to all area EMS providers, ED, ICU and in-patient nursing staff, physicians, EMS coordinators and anyone interested in enhancing their skills.

Registration Requested: No cost to attend.

To register, please call 800.847.4707 M-F, 8 am – 5:30 pm
