MR. SUN SONG

Oh, Mr. Sun, Sun, Mr. Golden Sun,
Please shine down on me.
Oh Mr. Sun, Sun, Mr. Golden Sun,
Hiding behind a tree
These little children are asking you
To please come out so we can play with you.
Oh Mr. Sun, Sun, Mr. Golden Sun,
Please shine down on,
please shine down on,
Please shine down on me!

ICE CREAM SOCIAL 2022!!

We enjoyed seeing so many families at the ice cream social this year. We especially loved seeing all of the smiles as families enjoyed Culver's cold custard and fun outdoor activities with friends.

Bubble Fun...

Basic Homemade Bubble Solution

This simple recipe produces good bubbles. Many people use just water and dishwashing liquid, but the addition of corn syrup, like Karo syrup, or glycerin holds the solution together to make better bubbles.

Ingredients:

- 1 cup water
- 2 tablespoons light Karo syrup or 2 tablespoons glycerin
- 4 tablespoons dishwashing liquid

Stir together until everything is dissolved.

Sugar Bubbles

Adding sugar seems to produce bubbles that are bigger and slower to pop. If you are having a bubble-blowing contest, this could be your secret advantage.

Ingredients Needed:

- 1 cup water
- 2 tablespoons liquid detergent
- 1 tablespoon glycerin
- 1 teaspoon sugar

Mix all ingredients together until sugar dissolves.

Health Guidelines Reminder

1. Anyone with a temperature of 100.4 or higher will need to stay home fever free without medication for 24 hours before returning to school.
2. Anyone with repeated vomiting or diarrhea without a fever needs to stay home 24 hours without symptoms before returning to school.
3. If your child has excessive coughing or congestion, we encourage you to keep them home until the coughing and congestion subsides.

****Walnut Hill ECC is following the Elkhart County Health Guidelines and the CDC Health Guidelines.
