JOHN RAY HARRISON  
MAYOR

September 20, 1989

To Whom It May Concern:

I have known the McDuff family for over twenty years. Reverend John McDuff is the pastor of one of our outstanding churches in our community.

Certainly, knowing the family, I know Gary McDuff and to my knowledge he is a creditable person in our community. I do not know the facts of the request for this letter which concerns his leadership in the community and our friendship.

With kindest regards,

John Ray Harrison,  
Mayor  
City of Pasadena
