### New Business-

Lengthy discussion took place concerning sending Christmas gifts to Post members who have been out ill as well as sending a fruit basket to Commander Rosenberg. The discussion concluded with the agreement that we would send the Commander a gift when he gets home from the hospital. With respect to Post members, Visitation Chairman Zangari would submit the names of ill members at the next meeting who he believe we should send Christmas gifts to. A vote of approval would taken at that meeting.

Jack Hawkis Sr. raised a question concerning a donation to the Brooklyn V.A. Hospital. He believes we donated \$50 last year in response to a letter from the Woman's auxillary. The Post has not recieved such letter this year as of the date of the meeting. Never-the-less, he felt we should make a donation to the hospital. After a lengthy discussion, it was agreed to look into the Post's minutes to determine what was done last year.

Meeting adjourned at 9:40 p.m.

Respectively submitted;

Adjutant
