

To Mr. Robert Larocque,

My name is Jade Cambly and I am a recipient of the Moses Sheppard Scholarship.

This fall, I am entering the first-year collaborative

Nursing Program at Lakehead university. I am

immensely grateful for the award you have gifted me, and am planning on using it

to pay for part of my tuition. In the

future, I am planning on joining the UN

as a nurse, and help out in crises times.

Thank you ~~for~~ again,

Kindest Regards,

Jade Cambly
