President’s Message: Fall 2023

Dear PPPA Membership

Congratulations to the members on another successful National Specialty!

Will and I were so happy to meet up with everyone at the Robert’s Center in Wilmington, OH for the PPPA Regional and National specialties. This was the first time we had a “stand alone” specialty, not followed immediately by all breed shows near the same location. It was also our first time offering the regional specialty and I think it went very well. We had a few minor hiccups but nothing serious. Feedback from the membership is always appreciated to improve each year.

Thank you to the show committees for working so hard to make this a successful event. For those not able to attend we have included the results and pictures in the issue of the PIP.

Please take a moment to remember our lost members, Nola Boyd and Suzanne Faria.

Nola who passed away on July 26th served as a PPPA Board member and Sunshine committee chair for several years. She was a bright light to many and will be greatly missed.

Suzanne who passed August 16th was the driving force behind getting our club approved and the breed recognized by the AKC. We will be forever indebted to her. She will be greatly missed. May both of these wonderful ladies RIP.

Don’t forget to mark your calendars for the 2024 National Specialty that will be held at the Reno Ramada in Reno, NV on August 14-15. Followed by three days of All-breed shows hosted by the Reno Kennel Club. The room block is open, and you can make your reservations by calling the hotel direct at 775-786-5151. We hope to see you there!

Thank you for your time and as always, we appreciate every one of you!

Respectfully Submitted,

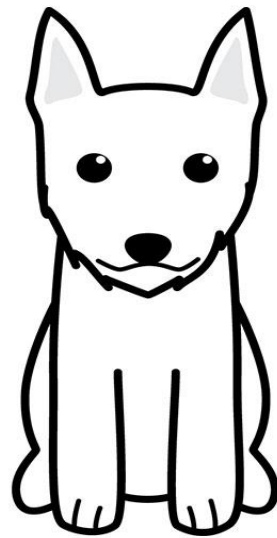

Susan Souza
PPPA President

A Word from our 2023 PPPA National Chair

September 26, 2023
Report to Board
2023 National Specialty

Our 2023 National was a great success! We had a total of 77 entries. Our facility was more than accommodating and the staff worked to make us comfortable and provided everything we needed. Before the show the communication was wonderful and all our questions answered promptly.

All paperwork was on hand for any mentoring, incidents, accidents, etc. The Breed Standard and AKC Rules for Dog Shows was also available. Our only glitches were made by the show secretary Judy Lowther. The judge's book and the catalog had several errors. I suggest that she not be used again by our club. I have expressed concerns about her capability in previous meetings of the board.

Patti Litchfield has submitted to the treasurer our costs for the building and the dinner. Everyone I spoke with was very happy with the quality of our meal. As Trophy Chair, I have submitted all the costs to the treasurer. She has included my information in her report.

There was an incident that occurred on Wednesday, August 16, after our show hours. This occurred between a member and non-member. The police were called and after about 90 minutes the parties were satisfied with the outcome and the police left. I was witness to the incident as I was in the parking lot packing up my RV. I was contacted 2 days later that the non-member wanted me to call a bench committee hearing. I explained that the incident occurred after show hours and this was not possible. I told her she could write a complaint to AKC if she so desired. Subsequently, I spoke with the AKC representative, Mary Dukes, and she stated I was correct and that our club was not to be held responsible in any way.

This was a wonderful experience being the show chairman and I hope that the board and members of the club are happy with the work Patti Litchfield and I did to make this a successful show,

Respectfully submitted,
Sarah A. McCollum

A Note from a Top 20 Judge

I had the pleasure of Judging the PPPA Top 20 competition at the Robert Center on Monday night Aug 14th , 2023, as part of the 2023 Portuguese Podengo Pequenos of America National Specialty. I humbly appreciate the support of the PPPA to entrust me with this assignment. I commend the show committee for their hard work in providing a wonderful National event for all to enjoy. I was impressed with the overall quality of the entries, generally displaying good breed type and soundness. I want to thank all the exhibitors for showcasing their beautiful PPPs for us all to admire. I was truly thrilled with the quality, and it was very heartwarming to see such wonderful examples of our breed. Once again, I am very grateful for the opportunity, and I am proud to be a part of this breed. It was truly a privilege to have judged at this year's National Specialty.

AKC CODE OF SPORTSMANSHIP

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance, and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions, and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while making part in the sport.
