

Be SAFE Around Strange Dogs

Play the SAFE game

Stay still

Stay still and chill

Don't move and be quiet.

Arms crossed like a boss

Keep your arms still and close to your body.

Arms crossed

Face away

Face away like you don't want to play

Turn your head to the side, away from the dog

Eyes down on the ground

Don't stare at the dog.

Eyes down

Don't go near dogs you don't know, especially when there is no adult nearby. Strange dogs might not be friendly and you don't want to get bit. Play the SAFE game any time you're around a dog you don't know.

It's smart to be SAFE around strange dogs.
