June 23, 2019

To All of My Legal Associates Past and Present:

Most of you are aware of the fact that I retired from clinical practice on January 1, 2019 and therefore cannot examine patients in the future as part of my legal work. I have not, however, retired from my busy practice as a medical expert and am still serving the legal community as a consultant who can do File Reviews, verbally consult with legal professionals and be available for depositions, hearings, and trial. I will maintain my advertising space on numerous national rosters, including JurisPro, National Medical Examiners, and SEAK, as well as others.

I still have a number of active cases in progress and look forward to your new business in the future. My appropriate contact numbers are as follows: Richard L. Stieg, MD, PLLC, 14501 East Crestline Drive #250, Centennial, Colorado 80015; 303-886-1836; Email address RStieg01@gmail.com; and website: RichardLStiegMD.com.

Yours Respectfully,

Richard L. Stieg, MD, MHS
Board Certified Neurology, Pain Medicine,
and Addiction Medicine
