

COVID-19 UPDATE

BUILDING BLOCKS PEDIATRICS - PLEASANTON, TX

WE ARE STILL HERE TO TAKE CARE OF YOUR CHILDREN!

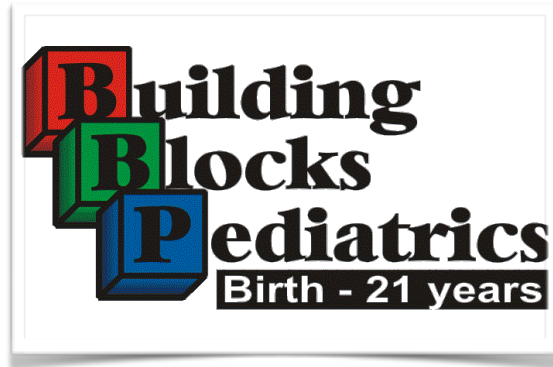

We are continuing to schedule all visit types. Please call the clinic to schedule your appointment. (830) 281-8367

OUR TOP CONCERN IS THE SAFETY OF OUR PATIENTS, STAFF, AND PROVIDERS.

BBP has implemented a COVID-19 management plan including safety protocols and additional cleaning routines to continue to provide safe care to our patients.

BBP WILL CONTINUE TO KEEP YOU UPDATED.

**If your child develops fever, shortness of breath, and/or cough, especially after travel or contact with an individual who has recently traveled internationally, it is important to seek prompt medical care.

IMPORTANT CHANGES AT BBP

- BBP is TEMPORARILY ceasing morning walk-in hours. Walk-in appointments will only be allowed from 1:00-1:30pm.
- Well Child appointments will be scheduled during morning hours. Sick appointments will be scheduled in the afternoon.
- We will keep the waiting rooms empty, rooming patients as quickly as possible. If rooms are full, parents/patients may wait in their car. We will call when a room is available.
- Only bring 1 guardian along with the scheduled patient to the appointment.
- Staff will perform initial triage of patients at the door upon arrival to the clinic. BBP recommends that patients with respiratory symptoms and/or fever to please notify the clinic before arrival.
- Our clinic has hand sanitizer readily available for in-office use. We highly recommend good hand washing with soap and water while in our clinic and to refrain from touching your face.
