## **RED TOMATO FARM & INN MAKES DONATION TO FRIENDSHIP HOSE COMPANY**

NEWVILLE—Red Tomato Farm & Inn partnered with Showers Tree Farm of Biglerville and DDMP Investors of Elizabethtown to sell Christmas trees as a fundraiser which raised \$500 to benefit the Friendship Hose Company in Newville.

“We were looking for a way to give back to the first responders in our community. We want to show our support and thanks for all they do.” explained Phil Wagoner, Farm Manager. “The funds raised during Christmas Trees for a Cause are a small way for us to say thank you to the volunteers at the Friendship Hose Company for their efforts to keep our community safe.”

The aim of the farming program at Red Tomato Farm & Inn is to provide adults with intellectual disabilities meaningful work rooted in farm tasks while creating opportunities to interact with the general public at the farm and in the community. Fundraisers like Christmas Trees for a Cause create a learning environment for farm participants and the community to work collaboratively.
