

Worship for December 27, 2020

www.umi.org/columbia-online-worship | Available online on December 27th morning

Columbia District pastors have felt their limits, priorities, know-how, and comfort stretched by the events of 2020. From Lent to Advent and beyond, they have faithfully endeavored to pastor you well in extraordinarily challenging times.

We would like to express our gratitude to your pastors by offering them a rest from Sunday preparations for the first Sunday after Christmas.

But we would not leave you without an opportunity to gather your worship of the Newborn King that day! A handful of us are assembling a virtual worship service for December 27th that will be available online, on [YouTube](#) and embedded on this page.

Musical and spoken contributions will come from West Portland UMC, Westside UMC, Lake Oswego UMC, Cherry Park UMC, John Nilsen, Tim Overton-Harris, and more. we'll see you on December 27th!

Cascadia District Superintendent Wendy Woodworth recorded a Dec 27 sermon for all the churches!
