What is remarkable is that the majority of the girls were also involved in other activities and able to keep their commitments & play well. An end-of-the-season Scramble is scheduled for this Sunday that includes the parents too.

Lacrosse, Men's HS – Chelsea Platter, Sara Legault

Based on Final Forms Lacrosse Sign Up the HS Numbers are a bit higher from last Season and the JH numbers remain steady. For the HS weight lifting has begun and our numbers are higher than they have ever been this early in the season! This year's Men's Lacrosse Program theme is "Unbreakable." The focus in the off season is creating activities for players to get to know each other and to bond as teammates. Monthly activities have been planned for the team. The ultimate goal is to get the team to play for each other and create an "Unbreakable" Program Bond! As Always it is a tremendous honor to lead the Kings Knights Lacrosse Program and the Coaching Staff and I are very excited to get started!
