

TACOMA WOMEN'S 600 CLUB

Congratulation on your 600 scratch series. We would like to welcome you to our growing family of 600 shooters. Our local club membership dues are \$2.00 per year. Our local association conducts 2 tournaments a year – usually in March and October. The spring tournament is a nine-pin no-tap tournament and the fall tournament is a sanctioned individual tournament. The information for these tournaments is usually printed in the local association's publication – **Kegler's Korner**. Additional information and applications will be posted at your local bowling lanes.

You are also eligible to join the National 600 Club. The lifetime membership fee is \$15.00. You will receive a laminated membership card and a 600 club emblem. Joining the National 600 organization entitles you to compete in the National 600 Club Tournaments when you attend the WIBC National Tournament.

When filling out your membership application, please be sure that you include your league sanction number and you USBC Number (located on your USBC card). Mail your completed application to me with your \$2.00 dues (\$17.00 total if you want to join the national organization) and I will complete the application process. Make checks payable to **TACOMA WOMEN'S 600 CLUB**. If you have questions, please call me.
