ASD Transition Toolkit

Preparing Youth with Autism Spectrum Disorder for Adulthood A Transition Toolkit for Educators is designed to provide educators and other members of the transition team with practical information and easy access to resources to prepare youth with Autism Spectrum Disorder (ASD) for a successful transition from school to adulthood. It provides practical information on how to utilize existing best practices to meet the needs of this group as a whole, while addressing the individual needs of each student with ASD. Useful, free online tools for assessment, planning, and instruction are provided for critical skill areas for youth and young adults with ASD.

ChoiceMaker Self-Determination Curriculum The ChoiceMaker Curriculum is Designed to Teach Students the Self-Determination Skills Needed to be Successful in Adult Life.

The ChoiceMaker Curriculum consists of three strands: (1) *Choosing Goals*, (2) *Expressing Goals*, and (3) *Taking Action*. Each strand addresses teaching objectives in three transition areas: Education, Employment, and Personal. Click here to download the [ChoiceMaker Self-Determination Curriculum Transition Maxtrix \(pdf\)](#). The matrix can assist in guiding the use of the ChoiceMaker Curriculum for transition planning. t.ly/36dPO

The results of age-appropriate transition assessments form the foundation of the student's transition plan. Transition assessments should begin well before the IEP team meeting where the transition plan is to be developed to ensure meaningful, high quality information is available for the IEP team to consider. t.ly/BJreE

INDEPENDENT LIVING SKILLS

Teaching Transformative Life Skills to Students: A Comprehensive Dynamic Mindfulness Curriculum 1st Edition

by [Bidyut Bose](#) , [Danielle Ancin](#) , [Jennifer Frank](#) , [Annika Malik](#)

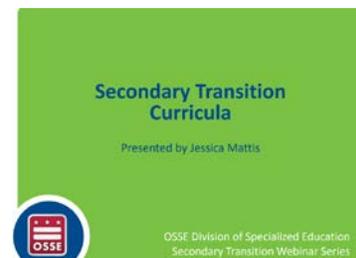

The evidence-based and trauma-informed Transformative Life Skills (TLS) curriculum offers educators 48 scripted, 15-minute lessons designed to require minimal preparation and fit neatly within the busy school days of a single academic semester.

EVERYDAY LIFE SKILLS STUDENT TEXT 0th Edition

by [American Guidance Service](#)

Everyday Life Skills is a comprehensive, career development program for high school students making the transition to postsecondary life. This full-color, easy-to-read textbook and video series focus on the important "how to live and work" issues not always covered by regular curricular materials.

Objectives: • Identify transition skills students need before they graduate • Identify transition curriculum that can be infused or integrated into existing curriculum • Identify resources that can assist with delivering transition-related curriculum

Guiding Questions: 1. What are the transition-related skills students need before they graduate? 2. What transition resources are available to help educators provide transition curriculum?
