

In Response to COVID19

To Our Clients:

We want you to know that we will continue to keep our **offices open** to help you through this time.

We are cleaning our offices more and disinfecting anything that may be used by multiple people. When you enter the office, **please use sanitizer**. We also offer face masks to those who believe they have a cough or have allergies or sinus issues.

Please **wash your hands** after you use the restroom.

We ask that **if you are sick**, especially if you have a fever, that you stay home for at least 48 hours after your fever is done. We are happy to reschedule your session.

We have the ability to offer **telehealth sessions**. Please contact your therapist to see if telehealth sessions are appropriate for you.
