If you do not pay your dues or notify HFSC of your status by **May 1, 2019**, your share will be leased.

PLEASE ALSO NOTE: If you did not pay your dues last year AND did not contact the Membership Chairman with instructions to lease out your share, you must do so this year in order to avoid losing your membership. Our Bylaws state:

Each active member is issued a barcoded keytag which is attached to your membership at the pool. If you were active in 2018, your assigned keytags will be reactivated this year once your dues payment and updated Info Form are received. These tags may only be used to check-in the member to whom they are assigned. There is no charge for the initial keytag, however, replacement keytags will be $3 each.
