ROAD REPAIR AND PARKING

We will be repairing the potholes and applying a slurry throughout the entire complex. This will be done in 3 parts. A two-week reminder will be given when your area is being repaired as there will be no vehicle access to the roads, driveways or garages at that time. Towing will not be enforced during the entire repair time.

If you drive on the road before it is cured, you will be responsible for any damage and repairs.

Swimming Pool and Hot Tub

The swimming pool and hot tub will remain open until **OCTOBER 31st** (weather permitting).

Quiet Hours

We are living in multi-resident buildings that are very close together. Please be respectful of others and keep the noise level down outside between 10pm and 8am.

SHHHH!

We love new neighbors! If you see someone moving into our community, please be kind and inform them not to park on the street from 12am – 6am. We don't want their new life here to start with a tow or boot on their car! Thank you!
