

IMMEDIATE PAST PRESIDENT REPORT

DCCW FALL BOARD MEETING

September 17, 2022

It is unbelievable that our Summer is moving into Fall, and we are beginning our new council year. The rain in our area has been a welcome blessing after the almost unbearable heat wave we were experiencing. Time marches on and changes happen daily, just like the leaves and the weather.

I am excited to be writing this report as your IPP- "Immediate Past President"! It is definitely a change in responsibilities to prepare for a meeting. I miss being your DCCW President, but Barb Kerouac is perfect for the position--she is doing just as awesome as we knew she would!

I do not have much to report yet as past president, but I can say that I am sorry that I am not at the meeting in person in Cedar City with Southwest Deanery as host. Two family obligations came up that were not expected, but I hope to join in and listen to the meeting on ZOOM while I am waiting at the airport. After looking at the proposed agenda it seems we have a couple of important decisions to discuss and vote on. I hope I am able to participate in the discussions and the voting.

I can report that Eastern Deanery women are working on a short skit to be performed at the NCCW Convention in November in Minneapolis. This will be an invitation for the membership of NCCW to come to Utah in August of 2023 for the next NCCW Convention. We have a couple of ideas brewing but nothing has been finalized yet. Those attending the convention in November will be the aspiring performers in the skit. Get ready ladies! It will be fun!

Throughout the 2 years as IPP, I will be available for women to ask about serving on the DCCW Board and sharing any interest in the offices to be filled in 2024. It is never too early to show an interest in Council and asking questions about any position you may be interested in filling.

Thank you everything you do in Council and I hope to see you all in person in November!
