- *Cake can and will have issues in humidity.*
- *Having an outdoor event remember flies and ants like food, but they love cake!*
- If you are transporting your cake be 100% sure it is level in your vehicle and that it stays cool.
- Not all cakes are box-able.
- When showing a picture of a cake remember most photos are airbrushed.
- When showing a picture of a cake keep in mind each cake artist has their own creative touch. It is highly unlikely to get have a cake recreated exactly. Look at what your cake artist has done in the past to judge their quality of work.
