

OKLAHOMA FOOTBALL COACHES ASSOCIATION CAREER WINS RECOGNITION AWARD

Each year, the OFBCA recognizes head coaches who have won 75 or more games. These coaches are awarded a plaque before the All-State Football game that is held each July during the OCA Summer Coaches Clinic.

In addition, plaques are also given to those coaches who reach victories in excess of 75, in increments of 25. (For example: 100, 125, 150, etc.)

If you have reached these levels of coaching excellence, please complete and mail (USPS or e-mail) this form to the current OFBCA Secretary/Treasurer by JUNE 1st.
