Gym FAQ/ Policies

Tuition is month to month. We do not discount tuition for missed classes but you may sign up for makeup classes within your period of enrollment. Tuition is based on 4 classes per month. We do not charge for extra and do not offer makeups for a missed 5th class.

If you would like to drop classes just let us know by the first class of the month. If you do not let us know you are dropping you will be financially responsible for tuition as your student has taken up a spot in the class.

Parents are welcome to watch from the lobby. Parents should not be on the gym floor at any time. If you need to communicate with the coach or your child please ask for an office/ staff member to help you with this.

The time spent at each level is completely different from child to child. Coaches will let them know when they are ready to advance. If you are concerned your child is not progressing or would like to request a skill assessment, please let us know!

Your annual registration fee is due every 12 months. If you take a couple of months off and come back you will not have to pay the registration fee again unless it has been 12 months since it was last paid.

Tuition is based on the number of hours your child is enrolled. The more hours you come per week the less it is per hour. You can add extra classes at any time, just let us know.
