TOTAL

Please answer the questions below for your ENTIRE GROUP:

- Total # of HORSE stalls requested? _____
- Total # of TACK stalls requested? _____
- Total # of bags bedding needed? _____
- Your barn's move-in date? _____

Please understand this is a request and not a guarantee. We will try our best!

Stalls are not guaranteed after September 9th unless you have registered online at www.horseshowsonline.com

Final stall count is due Sept 9th (requests after Sept 10th will be charged \$25 late fee per stall)

Stalls are non-refundable after Sept 9th regardless of vet/medical note.

Tack stalls will be granted per management's discretion.

We would like trainers to submit the stall counts for their students. You only need to send your stall count if you do not have a trainer who is going to submit your stabling request. We want to avoid duplicates, please.
