Extraordinary Eucharistic ministry in Holy Family Parish

Since the extraordinary events of the COVID pandemic, when life shut down to basic levels, and since then living with what we have learned since those challenging times, perhaps the ministry in the parish of extraordinary Eucharistic ministers has reduced? I know of at least one minister who continues to be faithful in this essential work. We continue to have several housebound parishioners and people in Care homes who need the support of the Blessed Sacrament being brought to them. If you have previously exercised this ministry in the parish, and would like to take it up again, please write your name and contact details down for Fr Steve and either give them to him personally or post them through the door of the presbytery. Thank you.
