This unique combination of the two varieties results in a wine with a bright golden yellow colour and an intense aroma of pineapple and citrus fruits, combined with hints of aromas of tobacco and green apple. It is a full-bodied wine, well structured, with a balanced acidity, and rich in the mouth, with a long aftertaste, dominated by hints of citrus fruits and vanilla.

Red

Greek Zacharias Ambelos Phos Peloponnes(INT Wine Challenge Winner).....\$8/\$30

The noblest indigenous variety of Greece, Agiorgitiko (Nemea grape Variety), in its fresh version... It is a bright full bodied wine with a deep red colour and a velvety taste. Quite complex for a fresh wine, with soft tannins and attractive intense aromas of cherry, red berries and vanilla.

Canyon Oaks Merlot\$6/\$22

California- Rich and stylish flavors of plum and berry are complemented by a touch of nicely integrated oak. Fresh and fruit driven, this is an easy drinking red with a smooth and silky finish.

Lodi Pinot Noir (Sommelier Choice).....\$7/\$26

Pinot Noir is light & crisp with aromas of sour cherries, cranberries, & just a hint of smoky herbs that lead to mouth filling flavors & tannins that complete with a lingering sweetness in the aftertaste.

Altitude Cabernet Sauvignon\$5/18

A wine with finesse. The rich varietal minty blackcurrant nose and flavor are supported by a palate that is smooth and flavorsome. Generous acidity and firm tannin give the wine a clean strong finish.
