AGREEMENT RECOGNITION AND DURATION

1. Not applicable
2. Should any valid Federal or State law or final determination of any board or court of competent jurisdiction affect any provision of this Agreement the provision or provisions so affected shall be made to conform to the law or determination and otherwise this Agreement shall continue in full force and effect.
3. This agreement shall become effective on **March 10, 2013, however, there will be no retroactivity of any contractual provision, Memorandum of Agreement or Letter of Understanding prior to the date of ratification of the 2013 Proposal for Settlement** and shall remain in full force and effect until **11:59 p.m., March 4, 2017**

ARTICLE 1 MANAGEMENT RIGHTS

1. Management, at its own discretion, shall have the right to select persons for employment, to retire employees in accordance with the provisions of the "Plan for Employees' Pensions," or to transfer employees from one occupation to another or from one location to another if their services are required in another location for a period of six (6) months or more, subject to the terms and conditions contained herein. Any employee who believes he is being prejudiced in the exercise of these rights by Management shall have the right to proceed in accordance with Article 12 herein which deals with grievances.
2. It is agreed from time to time the Company will employ people who do not fully meet the Company's normal employment standards, and place such employees in jobs which they can perform, within their limitations. Nothing in the foregoing, however, will preclude Management assigning these employees to higher rated jobs at a later time if they are qualified to perform the higher rated jobs, provided that such assignment does not supersede a senior qualified employee with a bid on file for the job at that location.

ARTICLE 2 NONDISCRIMINATION CLAUSE

1. Management will not discriminate directly or indirectly against any employee because of his membership or non-membership in the Union or because of any Union activity in which he properly engages. Neither the

Management nor the Union nor any employee in the bargaining unit will discriminate against or exert either mental or physical duress upon any employee of the Company because of his membership or non-membership in the Union or any other union; provided, however, that the Union will not be liable for the act of any employee who violates this Article and who is not a representative of the Union.

2. Neither the Company or the Union will discriminate against any employee designated as part of a special class protected by Federal and/or State law.
3. The use of the masculine or feminine gender in the language or in job titles within this Agreement shall be construed as including both genders.

ARTICLE 3 NO LOCKOUT - NO STRIKE CLAUSE

1. During the life of this Agreement, the Company will not conduct any lockout which will affect the Union or any employees subject to this Agreement.
2. During the life of this Agreement, the Union and its members will not engage in any strike, walkout or other work stoppage of any nature whatsoever in sympathy with any labor dispute not directly involving the Company or because of any dispute which is subject to arbitration hereunder, and in the event any such strike, walkout, or work stoppage or threat thereof should occur, the Union and its officers will do everything within their power to end or avert the same. Nothing contained in this Section 2 shall be so construed so as to require any member of the bargaining unit to go through any legal picket line but it is agreed that the failure of members of the bargaining unit to go through a picket line established by any labor organization contesting the right or jurisdiction of the Union or the members of the bargaining unit to perform the Company's normal work is a work stoppage within the meaning of this Section 2.

ARTICLE 4 NOT ASSIGNED

ARTICLE 5 NOT ASSIGNED

ARTICLE 6 COMPENSATION AND JOB CLASSIFICATIONS

- 6.1 **Compensation** - The wage rates attached as appendices to this Agreement shall be in effect for the job titles listed for the duration of this Agreement and shall be defined as basic wage rates, or basic rates.
- 6.2 Wage progression intervals for any given employee may not be directly related to actual accredited service.
- 6.3 In instances where, in the opinion of management, an employee merits additional wage treatment, such merit may be granted in any amount consistent with the wage schedules and at any time during the first twelve (12) months of employment.
- 6.4 The company may introduce, implement, modify or withdraw any sales, productivity and/or other pay incentive plan(s) to all or a portion of the bargaining unit and will notify the union prior to implementation, modification or withdrawal of such plan. Any such plan which would diminish employees' basic wage rates will be subject to mutual agreement with the union prior to implementation.
- 6.5 **Job Classifications** - The company may establish new job titles, and review and change existing job titles, based on the content of the job and the work being performed as deemed necessary. New job titles and any changes in job titles and descriptions will be reviewed with the union prior to implementation.
- 6.6 The job title classification assigned to employees will be in accordance with the preponderance of work duties they are called upon to perform.

ARTICLE 7 WORKING PRACTICES

- 7.1 To fulfill the requirements of the company to perform buried service wire/utility locating work in a high quality, cost effective and customer responsive manner, it is necessary to establish work rules which allow the company to maximize the use of its resources in the most efficient manner.
- 7.2 **Work Schedules and Tours** - A work week will begin on Sunday at 12:00 A.M. and end on the following Saturday at 11:59 P.M.
- 7.3 Work schedules will be established by work activity and zone and will be based on the qualifications of the employee. Where qualifications are equal, seniority will be the deciding factor considered when determining

schedule selection. Work schedules may be changed at any time based upon work requirements.

- 7.4 The normal work week for full time employees will be forty (40) hours. Hours worked could be less than 40 hours due to, but not limited to, lack of work, inclement weather and equipment breakdown. For those employees whose hours of work are decreased by the company from the original scheduled hours in a work week or consecutive work weeks, the company will strive to offer and/or require additional hours to the employees within the same work week or consecutive work weeks, if available.
- 7.5 **Scheduling** - The company will strive to provide at least 48 hours' notice of a change in work schedule where practical.
- 7.6 **Overtime** - It is expected that all employees will be available and willing to work hours in addition to their normal work schedule to the extent deemed necessary by the company to satisfy customer demands.
 - 7.6.1 Time and one-half (1 ½) the straight time rate will be paid for all time worked over forty (40) hours in a calendar work week or **eight (8) hours in a day, effective the date of ratification of the 2013 Proposal for Settlement.**

- 7.7 **Call-outs** - Employees who report for special duty outside of their scheduled hours will be compensated at the overtime rate of time and one-half for a minimum of two (2) hours work including driving time in excess of 45 minutes each way. This minimum does not apply to hours worked immediately preceding or immediately following regular scheduled work.
 - 7.7.1 Call-out pay will apply only when an employee is dispatched to a work location.
 - 7.7.2 Work performed outside of scheduled hours that does not require a dispatch will be paid at the overtime rate of time and one-half for time actually worked.
- 7.8 **Stand-By Pay** - Employees who are designated by management to be immediately available to report to work outside their regularly scheduled hours will receive payment of **\$11.00** per day for this assignment. Employees designated for stand-by on a holiday will receive payment of **\$15.00** per day. Qualified employees will be assigned on a rotational basis unless extenuating circumstances such as a major project requires a specific employee to be assigned. In the event an employee is called out to work, they will be eligible for call-out pay as outlined above in addition

to the stand-by pay. Stand-by assignments will be based on a combination of site requirements, employee home locations and practicality of schedules.

- 7.9 **Job Site Reporting** - Employees are expected to report and begin work at the designated time and place of their first assignment, which is normally within their zone. The company will assign the first and last work assignments as close to the employee's home as possible. Pay will normally begin when work commences at the first job assignment and ends upon completion of work at the last job assignment. Driving time exceeding 45 minutes each way will be paid time.

7.9.1 To limit excessive wear on company vehicles, miles from the employee's home to the first job assignment will not normally exceed 60 miles.

7.9.2 Employees who are furnished a company vehicle for travel to and from work will use the vehicle only for company business purposes and are expected to maintain the vehicle in accordance with company guidelines. Likewise, mobile tools and equipment provided to employees will be used only for company business purposes and will be maintained in accordance with company guidelines.

- 7.10 **Out of Town Assignments** - An employee may be temporarily assigned to perform work outside their normal reporting area. When such an assignment involves an overnight stay, by mutual agreement the employee will be paid either a per diem of \$35 for each day assigned or company designated lodging and \$21 for each day assigned.

- 7.11 **Workers' Compensation** - An employee injured in the course of performing their job duties will be eligible for Workers' Compensation benefits in accordance with the laws of the State in which the injury occurs. In addition, the company will pay supplemental pay up to 100% of base for up to ten (10) days. Effective August 19, 2007, if an employee continues to be disabled and eligible for respective state Workers' Compensation beyond the initial ten (10) days, the Company will assign the employee to a voluntary layoff and reclassify him/her to a Seasonal employee status.

7.11.1 An employee will be guaranteed reinstatement to his/her previous position if he/she is certified as able to return to full duty during or at the end of the four (4) month voluntary layoff.

- 7.12 **Business Attire/Uniforms** - In order to promote a professional business image in a competitive marketplace, employees in classifications designated by the company will be required to wear uniforms provided by the company. Business attire/uniforms will only be worn while at work. The company reserves the right to establish, change or modify reasonable

guidelines for business attire.

- 7.13 **In-Charge Differential** - An employee assigned by management to be in charge of other hourly employees will receive an in-charge differential of seventy-five cents (\$.75) per hour, provided such assignment is for a period of one hour or more. When an employee receives a summons for jury duty, he must notify his supervisor as soon as possible in order for the Company to make the necessary arrangements to meet the needs of service.

If an employee is required to report for jury duty and is temporarily excused from attendance, the employee must return to work as soon as reasonably possible and complete the shift the employee is assigned while on jury duty.

The employee must have completed by the Court a form to be provided to the Company showing days and hours worked on jury duty.

ARTICLE 8 SHORT-TERM DISABILITY BENEFITS

- 8.1 Employees who apply for short-term disability pay and whose applications are approved by the company will be paid for workdays absent based on the provisions of Section 8.2 and subject to restrictions and requirements provided in this Article. Employees will not be eligible for short-term disability pay under the following circumstances:
- 1) Injury/Illness when covered by Workers' Compensation or other laws.
 - 2) Elective surgery deemed not to be medically necessary.

8.1.1 **Notification.** An employee who is unable to work as a result of personal illness or accident not covered by Workers' Compensation must notify his/her supervisor or designee prior to, or at the start of, the shift on each day of absence unless other arrangements have been approved. An employee who fails to notify his/her supervisor or designee may be considered to be unexcused and subject to disciplinary action, and shall forfeit short-term disability benefits in increments of one (1) hour (any portion of an hour constitutes a full hour) prior to the time of notification. However, the supervisor or designee may waive the notification requirement when it is determined that circumstances were such that notification was not practical.

8.2 Short-term disability payments and waiting days for regular employees shall be based on their accredited service date according to the following schedule:

	<u>Full Pay Days</u>	<u>Half Pay Days</u>
Less than 1 year	0	0
1 year but less than 5 years	20	25
Five years but less than 10 years	40	45

8.2.1 **Waiting Days Waived.** Waiting days will be waived:

- a. if the employee is hospitalized or has outpatient surgery performed at a surgical clinic during the waiting period;
- b. Employees with five or more years of service will have waiting days waived if the only absence in the previous twelve (12) months was due to a Workers Compensation injury.

8.2.1.1 **Waiting Days:**

	<u>Waiting Day(s) Per Absence</u>
1 year of service or greater	5

8.2.1.2 An employee may use the cash out vacation option for the purpose of regaining the monetary value that was lost caused by unpaid waiting days. If an employee breaks up a week of vacation, management may require the remaining days to be scheduled as consecutive days.

8.3 Yearly eligibility for short-term disability commences and ends on the employee's anniversary date.

- 8.4 **Short-term Disability Benefits Restoral.** An employee's short-term disability benefits will be restored when he/she has been continuously engaged in the performance of duty for three (3) months (91 days) with no absences due to illness.
- 8.5 If an employee returns to work after a period of illness and the employee relapses with the same illness and is required to leave work again within a period of not more than ten (10) consecutive days, the two (2) periods of absence shall be considered as constituting one (1) illness and a second waiting period is waived. Only two periods can be combined. The ten (10) consecutive day period will be extended if the employee is required in writing by the employee's physician to return for specific life sustaining follow-up treatment such as chemotherapy, dialysis, and blood transfusions.
- 8.6 Upon termination of employment, no payment shall be made for unused short-term disability leave.
- 8.7 The company may require illness or accident to be verified by a competent physician to assist the company in determining the length of time for which benefits will be paid. A second opinion may be required at supervisory discretion and company expense. Payment of short-term disability benefits will be governed by such second opinion.
- 8.8 The company retains the right to have an employee examined by a doctor selected by the company at the company's expense if there is a reasonable basis to believe that the employee is sick or the employee's physical or mental condition is such that the employee may cause personal harm or endanger other employees. Any examination request made to an employee must be coordinated with the Human Resources Department.
- 8.9 **Third-Party Compensation.** If a regular employee receives compensation from a third party or government agency for lost work time for which the employee has been compensated under this Article, the employee shall reimburse the company for all sums paid by the company for the lost work time for which such third party or government agency has paid, up to the amount received from said third party or government agency. A regular employee who is eligible for such compensation agrees to exercise reasonable efforts to collect from such third party or government agency.

Such meetings shall be held at the request of either party and the subject matters to be taken up in such meetings by either party shall be outlined in a written notice given to the other party at least fourteen (14) days prior to such meeting; provided, however, that said fourteen (14) days written notice may be waived by mutual consent of the parties. Insofar as the negotiation of grievances is concerned, the Union shall have not more than three (3) employee representatives and Management shall have not more than three (3) representatives at Step 1. Both parties shall have the right to such technical assistance as they deem necessary to advise them during the negotiation of any specific grievance. The grievance representatives of the Union and Management shall meet together as required by the grievance procedure outlined hereinbelow in Article 12.
2. Representatives of the Union covered by this contract may attend grievance conferences with representatives of Management in accordance with the following provisions of this section without loss of pay at straight time subject to the following conditions:

- 11.3 Scheduling of vacation will take into account service requirements and then preferences of the employees.
- 11.4 An employee may carry-over one (1) week of vacation if eligible for two (2) weeks vacation. - 11.5 Employees may take only one (1) week of their vacation on a day-at-a-time basis.
- 11.6 Part-time employees will be paid at their basic wage rate based on the hours they normally would have worked during the vacation week.

ARTICLE 12-1 GRIEVANCE PROCEDURE*

(*Note: See agreement listed on page 55 regarding Mandatory informal as listed in section 5 below.)

1. The term "grievance" as used in this contract shall mean any grievance made either by an individual employee or group of employees contending that he or they are being prejudiced as a result of misinterpretation or misapplication of any of the terms of this contract or wage schedules from time to time in effect. The above definition shall be grievances subject to arbitration provided the procedures as set forth within this Article are followed.
2. Nothing shall prevent the presentation of grievances not falling within the above said definition except grievances of this nature shall not be subject to arbitration.
3. Grievances of any employee or group of employees shall receive fair, just and speedy consideration and shall be handled without prejudice.
4. A grievance that is to be recognized by either the Company or the Union must be presented within thirty (30) days after the alleged violation occurs except as provided under Article 10, Section 2.
5. *Prior to the first step grievance meeting, an informal resolution meeting between the supervisor and the union representative will take place. However, the informal resolution step will be waived for grievances which fall under Article 10, Discharges and Suspensions. If applicable, the aggrieved employee may attend the meeting at the Union's request. Pay shall be allowed for the Union representative and the aggrieved employee, if present. If the issue is not resolved at the informal meeting and the Union chooses to proceed to file a formal grievance, the grievance(s) shall be presented and processed only in the following manner, except as outlined in Article 27, Section 3.

5.1 Step 1

- A. The grievance shall be presented in writing, on Form 90005674, to the aggrieved employee's immediate supervisor.
- B. The form shall be prepared and submitted in duplicate. The supervisor will assign a grievance report number, and return one (1) copy to the Union by 5:00 p.m. of the next normal workday.
- C. The grievance shall contain a statement of facts in sufficient detail to set forth the nature of the grievance, date or dates

involved, times, occurrences, circumstances, and a reference to the applicable Contract Article and Section or company practice.

- D. The Company and the Union agree to meet within (10) working days after the return of the grievance form to the Union to explore solutions to the problems.
- E. The Company will be represented by first and second level management. Second level managers that are located outside of the area can exercise their right to attend the meeting via phone or video conference. The Union will provide a committee of local Union representatives, including the grievant if desired. The Step 1 grievance meeting shall be attended by not more than three (3) representatives by either party, as noted in Article 11, Section 1, unless mutually agreed to when the Step 1 meeting is scheduled. Pay shall be allowed for not more than three (3) employees including the grievant.
- F. All issues resolved informally or at Step 1 will neither establish a precedent, nor be referred to in any future grievances, arbitrations, or litigation except on matters pertaining to the grievant in question.

5.2 Step 2

In the event a grievance is not resolved at Step 1, the local may within ten (10) days submit the grievance to the National Union.

5.2.1 The parties will meet within fifteen (15) days in a final effort to resolve the grievance.

5.2.2 The Company will be represented by the Labor Relations Director or his designated representative. The Union will be represented by a Staff Representative.

5.2.3 If this fails, the Union may proceed to arbitration under the terms of Article 13 of the agreement.

- 6. The parties involved in each step of the grievance procedure may, by mutual agreement, waive the time limits imposed in the specific step at which the grievance is being processed, or recess the grievance to obtain additional information. Any waiver agreed upon shall be either made in writing or confirmed in writing.
- 7. It is understood that every effort will be made by both parties to resolve the grievance in the meeting at the applicable Step. If unable to do so, the Company will give its answer in writing on the grievance form within three (3) days following the meeting.

8. If the employee, at his option, has the grievance presented by his local Union representatives, the Company shall not thereafter deal directly with the employee concerning the grievance, but shall deal only through appropriate Union representatives.
9. In the event that any individual employee or any group of employees chooses to present a grievance for themselves rather than through the Union, management representatives will advise the local Union representative in writing of the fact that such grievance is being presented, and will give such Union representatives opportunity to be present during the presentation of such grievance.
10. Representatives of the Union or of any local thereof may confer with representatives of Management during working hours without loss of pay, provided the conference has previously been agreed to by Management.
11. In the event any grievance involves a question of wage status, any wage adjustment which arises out of the final solution of the grievance shall be made retroactive to the date on which the grievance was first presented to the immediate supervisor of the employee or employees affected; provided, however, that if the proposed wage adjustment involves a question of judgment as to the application of appropriate wage in the case of a transfer from one occupation to another or where other circumstances make the determination of an appropriate wage a matter of judgment, retroactive adjustment shall not be for more than three (3) months prior to the initial presentation of the grievance under Section 5, Step 1, of this Article and provided further, that if the wage adjustment involved has resulted from the correction of a mechanical or clerical error, the adjustment shall be made retroactive to the time the error commenced.
12. In the event any grievance involves a question of reinstatement of a released or discharged employee and it is determined that said employee is to be reinstated, the amount of back pay which can be awarded shall be determined by the Union and the Management grievance representatives, subject to the limitation that back pay will not be awarded for a period starting more than four (4) days before the initial presentation under Section 5, Step 1, of this Article.
13. The time periods referred to in this Article exclude Saturdays, Sundays and holidays recognized in the Contract.

ARTICLE 12-2

RECLASSIFICATION / PROMOTION

- 12.1 The company may establish the criteria for determining the qualifications of individuals to perform buried service wire and utility locating work.

- 12.2 When a vacancy occurs in a zone the company will assess the qualifications of the employees in the job titles lower than the vacancy within the zone. Qualifications may be determined through, but not limited to: assessment of experience; tests to identify knowledge, skills and aptitude; and interviews of candidates. Where qualifications are equal, seniority will be the deciding factor in the final selection.

ARTICLE 13-1 ARBITRATION

1. In the event any grievance arising hereunder cannot be resolved through negotiations between the parties hereto under the procedures hereinabove set forth, the matter shall be submitted to arbitration by the Union to the Company and in accordance with the following procedures. The Union will notify the Company of its intention to arbitrate within a reasonable time, not to exceed forty-five (45) days following the date of the final meeting of the grievance procedure. Such notice to the Company may be made orally and confirmed in writing within seven (7) days.
2. As soon as possible but not later than ten (10) days after the Company receives a request, made pursuant to Section 1 above, the Union will initiate a request to proceed with the selection of an arbitrator in the manner as mutually agreed to by the parties. Failure to comply with the time frames agreed to in Sections 1 and 2 of this Article will result in the arbitration request being declared untimely.

The arbitrator shall be selected by alternate striking of names. The person whose name is not stricken from the panel shall be the arbitrator. The party who strikes the first name from the panel shall be determined by lot.

The Company shall thereupon notify the arbitrator of his selection and seek his agreement to serve, and determine his available dates for hearing. The Company and the Union will then agree upon the date, time, and place of the hearing, and the Company shall so notify the arbitrator.

If the arbitrator is not available or is unable to meet the contractual time limits, another arbitrator from the remaining members of the panel will be selected and notified in the same manner as described above.

3. Within thirty (30) days from the date of the arbitrator selection in Section 2 above, the arbitrator will hold a hearing on the question to be arbitrated, at which time each party to the Agreement may submit to him such evidence and/or arguments as it desires relative to the question being arbitrated. The arbitrator will receive and consider any evidence which is

relevant to the dispute being arbitrated. At the request of either the Company or the Union, a stenographic transcript of hearings may be made, or written post hearing briefs may be filed, or both, except in cases which involve the discharge or suspension of employees. In discharge and suspension cases, the parties will argue orally such dispute before the arbitrator, and no written briefs will be presented. In any case where written post hearing briefs will be filed, such briefs will be submitted to the arbitrator with a copy to the other side within thirty (30) days from the conclusion of the hearings or the receipt of a transcript, whichever is later. Within thirty (30) days after the conclusion of such hearing, or when applicable after the submission of written briefs, whichever date is later, the arbitrator shall send his written award to each of the parties hereto.

4. In cases involving suspension or discharge, the arbitrator will render an immediate decision and will within fifteen (15) days after the conclusion of the hearing send his written award to each of the parties thereto.
5. The arbitrator shall have no authority to change, add to, or subtract from this Agreement, or to designate monetary award(s) beyond that to make the employee whole with respect to basic (lost) wages.
6. The time periods referred to in this Article exclude Saturdays, Sundays, and Holidays recognized in this contract.

ARTICLE 13-2 WORKFORCE SIZING

- 13.1 In the event the company determines a workforce surplus condition exists in the National Buried Service Wire Group, it will at its discretion make force adjustments, transfers or layoffs as required. Within the National Buried Service Wire Group, layoffs will be by job title and zone in accordance with the following:
 - 13.1.1 Regular employees with less than twelve (12) months' service, layoff will be based on qualifications and the needs of the business. When qualifications are equal, seniority will be the determining factor.
 - 13.1.2 Regular employees with more than twelve (12) months' service with the company will be laid off by inverse seniority and may bump a less senior employee in a lower job classification within the same zone provided the affected employee is fully capable of immediately performing the job duties in the lower classification. The employee is responsible for any relocation expenses.
- 13.2 It is agreed that an employee who is involuntarily laid off shall be given at

least two weeks' notice of such layoff or two weeks' pay in lieu of notice at the company's discretion.

- 13.3 Former employees who have been laid-off will be offered the opportunity to be recalled, for a period of twelve (12) months, before hiring new employees in the same classification and zone provided the former employee has kept the company informed of an address and telephone number where they can be reached. Once contacted, the former employee must be able to report for work within one (1) week.
- 13.4 Voluntary layoffs may also be an alternative way of temporarily adjusting the size of the workforce. When used, the voluntary layoff will not normally exceed four (4) months. Employees granted a voluntary layoff will be required to take any unused vacation prior to beginning the voluntary layoff. While on the voluntary layoff, employees will receive benefits provided to active employees, accredited service and seniority and will be guaranteed reinstatement at the end of the voluntary layoff provided that a vacancy exists in the job classification the employee held at the time of the voluntary layoff. Should the employee fail to return from the voluntary layoff, they will be considered to have resigned from the company.

Note: The parties agree to meet, and in good faith, mutually agree to the geographical boundary(ies) to replace the zone for purposes of force adjustment. Should the number of zones change, additional discussions will be held to determine the appropriate geographical area.

2. Appropriate change in wages will be made with respect to employees who are transferred from one occupation to another in accordance with the following:
 - 2.1 Employees who are transferred to higher wage paying classifications will be placed on the step of the new schedule which has the next higher rate to the employee's rate of pay at time of transfer. In no event will employees so transferred have their progression steps extended by more than twenty four (24) months. The employee's progression date, if applicable, will not be affected by such transfer. Employees so transferred who have credit allowed for experience which is not directly applicable to the new job classification may have such credit taken away at the date of transfer. Management may at its discretion place a transferring employee at a higher step on the schedule when it determines it to be appropriate to do so.

MEMORANDUM OF AGREEMENT HEALTHCARE CONTRIBUTIONS

With respect to Medical, the Company agrees to the following during the life of this Contract:

1. For each Plan Year beginning on and after January 1, 2014, an employee who enrolls in the Sponsored Plan, or, in the alternative, an HMO, EPO, or any other medical option (collectively "Other Medical Option") offered by the Company, will pay a Monthly contribution on a before-tax basis towards the cost of coverage for the medical coverage category elected by such employee ("Monthly Employee Contribution").
2. The Monthly Employee Contribution for the Sponsored Plan is set forth below. With respect to the Monthly Employee Contribution for any Other Medical Option offered by the Company, effective January 1, 2014 the Monthly Employee Contribution for the medical coverage category elected by such employee under such Other Medical Option will be no greater than 150% of the Monthly Employee Contribution for a Sponsored Plan (except as set forth in paragraph 7 below). Although pursuant to the preceding sentence the Monthly Employee Contribution for the medical coverage category elected by such employee under such Other Medical Option will be no greater than 150% of the Monthly Employee Contribution for a Sponsored Plan (except as set forth in paragraph 7 below), the Company reserves the right, after consulting with the CWA as provided in Paragraph 2 of the Other Medical Options MOA, to add, modify or discontinue such Other Medical Options, in its sole discretion and without bargaining, and no

matter concerning any Other Medical Option or any difference arising thereunder shall be subject to the grievance or arbitration procedure of the Collective Bargaining Agreement.

3. All employees and eligible dependents who receive Medical Coverage and contribute on a before-tax basis, will be subject to the mid-year change rules applicable to Internal Revenue Code section 125 cafeteria plans.
4. With respect to the Monthly Employee Contributions for years 2014, 2015, 2016 and 2017, an employee will be eligible for the non-tobacco user contribution rates (set forth below) for medical coverage if such employee and his or her covered dependents do not use tobacco products or satisfy a reasonable alternative standard as determined by the Company (e.g., complete an annual smoking cessation program).
5. An employee will also be eligible to receive an annual credit of \$100 in each of the years 2014, 2015, 2016 and 2017, prorated based on when during the year the employee completes an annual health risk assessment provided by the Company, and prorated on a pay-period basis toward the employee's contribution for healthcare.
6. The Monthly Employee Contributions that appear in the charts below for 2014, 2015, 2016 and 2017 already account for the annual \$100 credit set forth in paragraph 5 above.
7. Notwithstanding anything to the contrary in this MOA, contingent upon ratification on or before November 20, 2013 of the 2013 Proposal for Settlement, the Monthly Employee Contribution for:
 - a. Kaiser will be no more than 100 percent of the Monthly Employee Contribution for the Sponsored Plan
 - b. Healthnet will be no more than 115 percent of the Monthly Employee Contribution for the Sponsored Plan for 2014, no more than 125 percent of the Monthly Employee Contribution for the Sponsored Plan for 2015, and no more than 130 percent of the Monthly Employee Contribution for the Sponsored Plan for 2016 and in the years thereafter.
8. The Monthly Employee Contribution will be deducted from the employees' bi-weekly pay. However, in those circumstances where an employee is not receiving pay or sufficient pay the employee will be billed for the contribution amount(s) or the contribution amount(s) will be applied to subsequent pay.

Effective January 1, 2014, the Monthly Employee Contribution required by associates will be:

Notwithstanding the above, the Company will begin deducting the required contribution amount from the employees' bi-weekly paycheck in the first month in 2014 in which the Company determines it is administratively feasible to make such deductions. No employee contributions will be required for the month(s) prior to the date that it is administratively feasible to implement pre-tax deductions for employees. Once the Company implements pre-tax deductions for employees, the amount that will be deducted from the employees' bi-weekly paychecks in 2014 will be equal to the applicable Monthly Employee Contribution for 2014 multiplied by 12, divided by the number of pay periods in 2014 commencing with the first pay date that deductions will be made and ending on the last pay date of 2014. For example, an employee who enrolls in Employee Only coverage in the Sponsored Plan and is a non-tobacco user for 2014 and completes the annual health risk assessment will be required to pay a Monthly Employee Contribution of \$50 per month, or \$600 for the year. If the Company determines that the first pay period in which it is able to make deductions for 2014 is the first pay period in February 2014, no employee contribution will be required in January, and the

employee will have \$25 deducted from the employee's bi-weekly pay commencing with the first pay period in February 2014 and in each of the remaining 23 pay periods thereafter in 2014 (for an annual contribution of \$600 in 2014).

MEMORANDUM OF AGREEMENT INCOME SECURITY PLAN (ISP)

1. Verizon California Inc. and Communications Workers of America recognize the need for technological change in the business and hereby enter into this Memorandum of Agreement (hereinafter referred to as the Agreement). In order to lessen the economic impact upon regular employees who become surplus due to technological change, the Company and the Union agree to establish the INCOME SECURITY PLAN (the Plan). "Technological change" shall be defined as a change in plant or equipment, or a change in a method of operation, diminishing the total number of regular employees required to supply the same services to the Company or its subscribers. "Technological change" shall not include layoffs or force realignments caused by business conditions, variations in subscribers' requirements, or temporary or seasonal interruptions of work.

When technological change brings about any of the following conditions, the Plan shall apply:

- A. A need to layoff and/or force realign employees in any job title.

- B. Reassignment of regular employees to permanent headquarters fifty (50) miles or more from the employee's permanent headquarters.
2. During the term of this Agreement, if the Company notifies the Union in writing that a technological change has created, or will create a surplus in any job title in any work group and/or work location, regular employees meeting the following qualifications shall be eligible for Plan participation:
- A. Accredited service of one year or more.
 - B. No comparable assignment available within fifty (50) miles of the former permanent headquarters and/or refusal of reassignment to a new permanent headquarters fifty (50) miles or more from the former permanent headquarters.

However, the Company reserves the right to apply this Plan to any surplus in force, whether or not it is brought about by technological change that the Company deems appropriate. All elections shall be voluntary and acceptance by the Company will be in order of seniority.

3. The Company reserves the right to determine the job titles and work group(s) and/or work location(s) in which a surplus exists, the number of work groups and/or work locations in which a surplus exists, the number of employees in such titles and locations which are considered to be surplus, and the period during which the employee may, if he or she so elects, leave the service of the Company pursuant to this Plan. In no event shall the number of employee elections accepted under the terms of the Plan exceed the number of employees determined by the Company to be surplus.
4. For those employees who are eligible in accordance with Sections 1 and 2, the Company will provide the following ISP Termination pay benefits:
- A. ISP Termination Allowance of \$1,100, less withholding taxes, for each completed year of accredited service up to and including thirty (30) years for a maximum of \$33,000 prior to withholding taxes. The ISP Termination Allowance is not prorated for any partial year of service.
 - B. In addition to the ISP Termination Allowance, the Company shall pay an employee who has left the service of the Company with ISP benefits an ISP Expense Allowance not to exceed \$750, less withholding taxes, for each completed year of accredited service for a maximum of \$3,750 prior to withholding taxes. The ISP Expense Allowance is not prorated for any partial year of service.

The combined maximum ISP Termination pay benefit payable as set forth in Paragraphs A and B of this Section 4 shall in no event exceed a total of \$36,750.

The dollar amounts set forth in this Agreement shall be prorated for regular part-time employees based on the average hours worked during the last twenty-six (26) pay periods; i.e., average of thirty (30) hours worked per week would result in termination benefits paid at 75% of those set forth in Paragraphs A and B of this Section 4.

5. Employees eligible for ISP Termination Allowance in accordance with Section 2 will receive a lump sum payment for the entire amount of the ISP Termination Allowance paid in the month following the month in which the employee leaves the service of the Company.
6. Reemployed employees must complete one (1) full year of accredited service with the Company before becoming eligible again for termination benefits. Those employees who have previously received termination benefits of any kind shall be eligible for ISP Termination Pay benefits based on their most recent date of hire in lieu of their accredited service date as outlined in paragraphs 4 A and B above.
7. All benefits payable under the Plan are subject to legally required deductions.
8. Termination benefits shall not be made if the termination is the result of any sale or disposition by the Company, of the exchange or office at which the employee is working, or from which the employee is assigned to work, when the employee is continued in the employment of the new management of the exchange or office.
9. An employee's election to leave the service of the Company and receive termination pay benefits must be in writing and transmitted to the Company within fourteen (14) calendar days from the date of the Company's offer in order to be effective, and it may not be revoked after such fourteen (14) calendar day period.
10. This Agreement will be implemented prior to invoking the provisions of Article 8 (Force Realignments) of the Collective Bargaining Agreement, when conditions set forth in Section 1 of this Agreement exist as determined by the Company.
11. Neither the right to effect a technological change, the determination of a surplus condition, eligibility for participation in the Plan, nor any part of this Plan or Agreement shall be subject to the arbitration procedure of the Collective Bargaining Agreement.
12. This Memorandum of Agreement is effective on March 10, 2013, and shall expire on March 4, 2017. The parties specifically agree that the terms and conditions set forth in this Memorandum of Agreement shall also terminate on March 4, 2017, and shall not survive the expiration of this Memorandum of Agreement unless agreed to by the parties in writing.

2. In situations where employees elect not to enroll themselves and their eligible dependents in a Verizon Company-sponsored medical plan or HMO, the employee is eligible for an annual "opt-out" credit of seven hundred dollars (\$700).
3. In situations where employees elect not to enroll their spouse in a Verizon Company-sponsored medical plan or HMO, the employee is eligible for an annual opt-out credit of three hundred fifty dollars (\$350).

Note: The credits described in paragraphs 2 and 3 may be prorated and will be given to the employee over twelve (12) months on his/her bi-weekly paycheck. In order to be eligible for this credit, the employee may be required to provide satisfactory evidence of medical coverage upon request.

4. In situations where employees elect to cover their spouse where the spouse is also eligible for medical coverage from his/her employer and does not enroll in that medical plan, a 'spousal surcharge' shall apply.
 - a. The spousal surcharge shall apply to all medical plan options.
 - b. The spousal surcharge of \$40 per month will be deducted from the employee's bi-weekly paycheck.
 - c. The spousal surcharge shall not apply:
 - In a plan year in which the spouse's gross base wage rate on an annualized basis of the previous July 1 from his/her employer who provides medical coverage is \$25,000 or less, or
 - If the spouse's annual individual premium contributions would be \$900 or more under his/her employer's plan.
 - d. In situations where both the employee and the spouse are eligible for enrollment in a Verizon medical plan based upon their employment status:
 - The spousal surcharge shall not apply if both spouses are Verizon associates.
 - The spousal surcharge shall apply if one spouse is an associate and one spouse is eligible for Verizon

MEMORANDUM OF AGREEMENT PENSION BENEFITS

The GTE California Incorporated Plan for Hourly-Paid Employees' Pensions, which is now component of the Verizon Pension Plan for Associates, will be amended with respect to associates covered by this 2013 MOA, as follows:

1. Any associate who is first hired as a union-represented associate on or after November 24, 2013 ("Pension New Hire") will not be eligible to participate in the Pension Plan. Any associate who returns from layoff on or after November 24, 2013 pursuant to contractual recall rights, other than a Pension New Hire, will be eligible to continue participation in the Pension Plan as of

the date of recall, subject to the Pension Plan changes described in this MOA.

2. Pension benefits will be subject to a transition on March 1, 2014 ("Transition Date"), as described below in paragraphs a, b (if applicable), c (if applicable), d (if applicable) and e (if applicable).
 - a. An associate's pension until the Transition Date will be referred to as the "A" benefit. The A benefit will be calculated and frozen based on the pension formula and the associate's service and compensation, all in effect as of the Transition Date. Immediately after the Transition Date, eligible associates will continue to earn pension benefits. The benefits earned after the Transition Date will be referred to as the "B" benefit. The B benefit will be calculated based on (i) an associate's eligible service after the Transition Date, and (ii) an associate's applicable compensation under the pension formula frozen as of the Transition Date. The 2% increase in the basic wage rate scheduled for March of 2014 will be deemed to be in effect January 1, 2014 for the sole purpose of determining the basic wage rate component of an associate's applicable compensation under the pension formula frozen as of the Transition Date. This 2% adjustment will increase an associate's applicable compensation under the pension formula frozen as of the Transition Date with respect to both the "A" and the "B" benefit. For promotions after the Transition Date, there will be a special rule for both the "A" and the "B" benefit. If an associate is promoted to a higher wage schedule after the Transition Date and during the remaining term of this Pension Benefits Memorandum of Agreement, then once the associate has remained in that higher wage schedule for 24 months following the effective date of the promotion, the associate's applicable compensation under the pension formula frozen as of the Transition Date will be increased by 6%.
 - b. Special Rule for Associates with Fewer Than 60 Months of Pension Compensation as of the Transition Date. For associates with fewer than 60 months of pension compensation as of the Transition Date, the calculation of the frozen compensation under the pension formula will be subject to a special rule for both "A" and "B" benefit. The frozen pension compensation will be calculated effective as of the Transition Date by recognizing (i) scheduled progression increases in the basic wage rate under the applicable wage progression schedule and (ii) the monthly average of the applicable pension compensation (exclusive of basic wages) as of the Transition Date. With respect to both (i) and (ii) in the preceding sentence this special rule will only apply for the period of time necessary to permit each associate covered by this special rule to have 60 months of pension compensation. Other than the adjustments in (i) and (ii), this calculation will not take into account scheduled annual general wage increases or any other items of actual compensation (e.g., sales bonuses and commissions, any before tax contributions made to a 401(k) plan and any team-oriented short-term incentives) on or after the Transition Date.

- c. The associates identified on the attachment hereto, all of whom have more than 60 months of pension compensation but are expected to be in the wage progression schedule as of the Transition Date, will be subject to a special “roll forward” determination of their frozen pension compensation as of the Transition Date. The frozen pension compensation will be calculated effective as of the Transition Date by recognizing (i) scheduled progression increases in the basic wage rate under the applicable wage progression schedule until the end of the month in which the associate has attained the highest wage progression and (ii) the monthly average of the applicable pension compensation (exclusive of basic wages) as of the Transition Date for the same months to which the roll forward in (i) applies. With respect to both (i) and (ii) in the preceding sentence, this special roll forward determination will only apply until the end of the month in which each associate covered by this special determination attains the highest wage progression in the applicable wage progression schedule, and then that month will define the end of the 60 months of pension compensation for the associate. This calculation of the frozen compensation under the pension formula will be used for both the “A” and “B” benefit in paragraph 2(a) above. Other than the adjustments in (i) and (ii), this calculation will not take into account scheduled annual general wage increases or any other items of actual compensation (e.g., sales bonuses and commissions, any before tax contributions made to a 401(k) plan and any team-oriented short-term incentives) on or after the Transition Date.
- d. Contingent upon ratification on or before November 20, 2013 of the 2013 Proposal for Settlement the following will apply. There will be a special imputed compensation calculation for associates participating in the Sales Incentive Compensation Program, with respect to the calculation of their frozen compensation under the pension formula as of the Transition Date. (This special calculation will not affect actual payments under the Sales Incentive Compensation Program.) The frozen pension compensation will be calculated effective as of the Transition Date by comparing (x) all of an associate’s actual pension compensation under the Sales Incentive Compensation Program within the 60 months preceding the Transition Date and (y) imputed pension compensation for the same period of time under the Sales Incentive Compensation Program at an assumed attainment of 100% of the applicable targets for that associate under the Sales Incentive Compensation Program until the Transition Date. The better of (x) and (y) in the prior sentence will be used for each associate in calculating the associate’s frozen pension compensation as of the Transition Date. If an associate is subject to either paragraph 2(b) or 2(c) above, the calculation under this section 2(d) will be undertaken first. Then the calculation under paragraph 2(b) or 2(c) will be undertaken, inclusive of any favorable adjustment to an associate resulting from this paragraph 2(d). That calculation will be the frozen pension compensation amount as of the Transition Date which will then be used for both the “A” and “B” benefit in paragraph 2(a) above.
- e. Also contingent upon ratification on or before November 20, 2013 of the

2013 Proposal for Settlement the following will apply. For associates eligible for awards under the Team Performance Award, the Team Incentive Plan or the LiveSource Incentive Compensation Plan, actual awards under these three plans after the Transition Date will be considered in determining an associate's frozen pension compensation amount as of the Transition Date, if any such actual award would increase that component of an associate's frozen pension compensation amount as of the Transition Date. Any adjustment under this paragraph (e) to an associate's frozen pension compensation amount as of the Transition Date will then be used for both the "A" and "B" benefit in paragraph 2(a) above.

Except as noted above, this Memorandum of Agreement is effective on March 10, 2013 and shall expire on March 4, 2017 and shall not survive the expiration of the Memorandum of Agreement unless agreed to by the parties in writing.

Example Calculation:

Incentive Award	\$275.00	÷
Total Hours Worked	1,880	=
Incentive Hourly Rate	\$0.1463	x
½ Overtime Rate	0.5	=
Hourly Overtime Rate of Pay	\$0.0731	x
Total Overtime Hours	100	=
Incentive Overtime Payment	\$7.31

Over Target to Maximum	101-120% of weighted amount

**MEMORANDUM OF AGREEMENT
DOMESTIC PARTNER BENEFITS**

WHEREAS the Communications Workers of America, AFL-CIO (hereafter "CWA" or "the Union"), and Verizon Communications companies, which were subsidiaries of the former GTE Corporation (hereafter the "Verizon/GTE Companies" or "the Companies" or "the Company"), have collective bargaining relationships throughout the United States;

NOW THEREFORE THE VERIZON/GTE COMPANIES AND CWA agree as follows:

1. The Company and the Union agree to extend benefits, as set forth below, to employees' domestic partners and children of domestic partners.
2. Employees may elect health and welfare benefits coverage of domestic

partners and children of domestic partners as described below. Employees who have been (or will be) identified by the Company as employed as part of an operation that is to be divested as part of former GTE's Video Services/Media Ventures Repositioning program are excluded from this Memorandum of Agreement.

3. The Company and the Union agree that a domestic partner of an employee will be eligible for health and welfare benefits only if the employee and the domestic partner meet one of the following relationship categories: (A) same-sex marriage, (B) same-sex domestic partnership by governmental registration, (C) same-sex domestic partnership by "company registry," or (D) a limited exception for opposite-sex partners in California or as notified by Verizon due to equal benefits ordinance, as described below:
 - A. Same-sex marriage. The employee and the domestic partner have entered into a valid, same-sex marriage recognized under the laws of the state in which they currently reside. If the employee and domestic partner move to a state that does not recognize same-sex marriage, the employee will need to (1) register his or her same-sex domestic partnership by government registration, or (2) satisfy the "company registry" requirements of a same-sex domestic partnership, as explained below.
 - B. Same sex domestic partnership by government registration. The employee and domestic partner have entered into a valid, same-sex domestic partnership registered with a governmental entity under the laws of the state, county or municipality in which they currently reside.
 - C. Same-sex domestic partner by "company registry." The employee and the domestic partner attest they meet all of the following requirements:
 - The employee and the domestic partner are same-sex, adult partners.
 - Neither the employee nor the domestic partner is married or a domestic partner of a third party.
 - Both the employee and the domestic partner are at least eighteen (18) years of age and mentally competent to contract.
 - The employee and the domestic partner are not related by blood to a degree of closeness that would prohibit legal marriage in their state of residence.
 - The employee and the domestic partner live together at the same permanent residence.
 - The employee and the domestic partner are jointly responsible for each other's welfare and basic living expenses.
 - The domestic partner is the employee's sole domestic

partner and intends to remain so indefinitely.

D. Special rule for opposite-sex partners: Generally, an opposite-sex relationship other than a valid, legal marriage does not meet the domestic partnership requirements. However, an employee may cover an opposite-sex partner if the employee satisfies one of the following requirements:

- California residence: The employee and the domestic partner both reside in the state of California and are registered as domestic partners with the California Secretary of State or with a local government agency that legally recognizes domestic partner relationships through an official registration process; or
- Equal benefits ordinance. Verizon notifies the employee that he or she is eligible to cover an opposite-sex domestic partner as a result of the company's contractual obligation with a governmental entity with an "equal benefits ordinance" that requires the coverage of an opposite-sex domestic partner. The notification will outline the eligibility requirements that pertain to the particular "equal benefits ordinance."
- The employee and the domestic partner agree to notify the Company and any other appropriate party of any change s in the above conditions.
- The employee and domestic partner agree to attest verbally, electronically or upon request, in writing, that they both satisfy the eligibility requirements for domestic partnership.

4. The Company and the Union agree that eligibility of children of domestic partners for health and welfare benefits shall be based on the following conditions:

- A. An eligible domestic partner is the natural parent, adoptive parent or legal guardian of the child.
- B. For purposes of eligibility for health and welfare benefits, the child of a domestic partner may qualify as an eligible dependent child according to the same eligibility terms and conditions as an employee's natural or adoptive child.

Coverage for the retiree's Domestic partner (and eligible Child of a Domestic Partner) shall apply wherever the legally married Retired Participant and the Domestic partner live.
 - G. Supplemental Term Life
6. Employees are entitled to Bereavement Leave in the event of the death of a domestic partner, children of the domestic partner and other domestic partner family members as specified in the relevant Collective Bargaining Agreement.
7. Family and Medical Leave
- A. Employees are entitled to Family and Medical Leave for the care of a seriously ill child of a domestic partner, subject to general eligibility requirements.

Notwithstanding the foregoing, this Memorandum of Agreement shall constitute part of the plan to which it relates; provided, however, it may be elaborated upon in other plan materials, such as employee bulletins and enrollment materials, by the Company. **MEMORANDUM OF AGREEMENT
EDUCATION AND LIFE-LONG LEARNING**

WHEREAS the Communications Workers of America, AFL-CIO (hereafter "CWA" or "the Union"), and Verizon Communications companies, which were subsidiaries of the former GTE Corporation (hereafter the "Verizon/GTE Companies" or "the Companies" or "the Company"), have collective bargaining relationships throughout the United States;

NOW THEREFORE THE VERIZON/GTE COMPANIES AND CWA agree as follows:

The Company and the Union agree to continue joint efforts which allow employees additional opportunities to learn and enhance their knowledge. This includes, but is not limited to, participation in the Verizon Tuition Assistance Plan (VZ TAP) for Associate Employees which includes the 100% prepaid tuition feature. Effective January 1, 2012, there will be a maximum annual Company payment for tuition and fees of \$8,000.

**MEMORANDUM OF AGREEMENT
HOURLY SAVINGS PLAN (HSP)**

WHEREAS the Communications Workers of America, AFL-CIO (hereafter "CWA" or "the Union"), and Verizon Communications companies, which were subsidiaries of the former GTE Corporation (hereafter the "Verizon/GTE Companies" or "the Companies" or "the Company"), have collective bargaining relationships throughout the United States;

NOW THEREFORE THE VERIZON/GTE COMPANIES AND CWA agree as follows:

1. The Company and the Union will make the Hourly Savings Plan (HSP) available to regular full or part-time hourly employees of the Company who are covered by a Collective Bargaining Agreement.
2. The Company reserves the right at any time, and from time to time, by action of the Board of Directors, to modify or amend in whole or part, any or all of the provisions of the HSP, but no such amendment or modification shall have the effect of reducing the accrued benefits of members, retired members, former members or their beneficiaries or of diverting any part of the Trust Fund to any purpose other than for the exclusive benefit of members, former members, or their beneficiaries and the payment of reasonable HSP administration expenses.
3. The Company reserves the right, by action of the Board of Directors, to

terminate or partially terminate the HSP at any time. Upon termination or partial termination of the HSP or upon the complete discontinuance of contributions under the HSP, the member accounts of the members affected by the termination, partial termination, or complete discontinuance of contributions as the case may be shall be non-forfeitable.

4. The HSP may be merged into or consolidated with another plan, and its assets or liabilities may be transferred to another plan; provided, however, that no such merger, consolidation, or transfer shall be consummated unless each member and beneficiary under the HSP would receive a benefit immediately after the merger, consolidation, or transfer, if the transferee plan then terminated, that is equal to or greater than the benefit he/she would have been entitled to receive immediately before the merger, consolidation or transfer, if the HSP had then terminated.
5. The Company and the Union agree that every provision heretofore contained in this Agreement is contingent upon the Company's receipt of a favorable determination that the HSP, as amended, continues to be qualified under Section 401 (a) et. seq., of the Internal Revenue Code. In the event any recession in the HSP is necessary to obtain or maintain a favorable determination from the Internal Revenue Service, the Company will make the revisions, adhering as closely as possible to the level of benefits contained in the HSP.
6. In the event any portion of this Agreement is determined by a court or government agency to be in violation of existing law or is voided by a change in existing laws, the Company retains the unilateral right to make whatever modifications it deems necessary and appropriate to comply with the law, including the right to rescind the Agreement, if it deems no such modification is feasible. The Company shall have no obligation to bargain or negotiate with the Union in the event that this Agreement is modified or eliminated or in the event the Company does not implement any or all of the provisions of this Agreement because it does not receive Internal Revenue Service approval, any or all of these plans are deemed not qualified, or because of a change in existing laws.
7. The HSP will be administered solely in accordance with its provisions and no matter concerning the HSP or any difference arising thereunder shall be subject to the grievance or arbitration procedure of the Collective Bargaining Agreement but rather shall be governed by the terms and conditions of the HSP and the interpretation of the HSP Committee.

MEMORANDUM OF AGREEMENT
HOURLY SAVINGS PLAN COMPANY CONTRIBUTIONS

WHEREAS the Communications Workers of America, AFL-CIO (hereafter "CWA" or "the Union"), and Verizon Communications companies, which were subsidiaries of the former GTE Corporation (hereafter the "Verizon/GTE Companies" or "the Companies" or "the Company"), have collective bargaining relationships throughout the United States;

NOW THEREFORE THE VERIZON/GTE COMPANIES AND CWA agree as follows:

Hourly Savings Plan (HSP) Contributions for non-Pension New Hires

For eligible associates covered by this Agreement other than "Pension New Hires" as defined below, the Company and the Union agree to continue the company matching contribution of 82 cents for every \$1 contributed by the employee, up to a maximum of six percent of pay, to the Hourly Savings Plan (HSP).

HSP Contributions for Pension New Hires

The following provisions apply only to associates who are covered by this Agreement, who are first hired as union-represented associates on or after August 1, 2013, and who are not eligible to earn pension benefits ("Pension New Hires"). No other associates covered by this Agreement will be entitled to the increased Company matching contributions or the Discretionary Contributions described below.

The Company will amend the HSP effective August 1, 2013 to increase Company matching contributions for the balance of the 2013, 2014, 2015, 2016 and 2017 plan years to 100% of the eligible contributions of each Pension New Hire Agreement up to 6% of eligible compensation.

The Company will also amend the HSP effective August 1, 2013 to permit an additional performance-related, discretionary Company contribution for the balance of 2013, 2014, 2015, 2016 and 2017 plan years ("Discretionary Contribution") for Pension New Hires, subject to the additional requirements described below. An eligible associate would not have to contribute to the HSP to be eligible for the Discretionary Contribution. Eligible associates would have to be employed as eligible associates on the last day of the plan year to be eligible for the Discretionary Contribution. The Discretionary Contribution would be between 0-3% of eligible compensation actually paid during the plan year to each such eligible associate and would be set at the same percentage as the performance-related contribution for wireline management employees under the management savings plan for the same plan year. The Company would determine each applicable plan year whether the Discretionary

Contribution would be made in cash and/or Verizon stock invested in the Verizon stock fund under the HSP. Discretionary Contributions invested in the Verizon stock fund would be subject to participant investment diversification in accordance with the current terms of the HSP. Discretionary Contributions would not be available for in-service withdrawal, and they would be subject to the same vesting schedule as Company matching contributions.

Exhibit VI

**MEMORANDUM OF AGREEMENT
NEUTRALITY AND CONSENT ELECTION**

WHEREAS the Communications Workers of America, AFL-CIO (hereafter "CWA" or "the Union"), and Verizon Communications companies, which were subsidiaries of the former GTE Corporation (hereafter the "Verizon/GTE Companies" or "the Companies" or "the Company"), have collective bargaining relationships throughout the United States;

NOW THEREFORE THE VERIZON/GTE COMPANIES AND CWA agree as follows:

This Agreement between Company and the Union covers all understandings between the parties concerning union organizing; access to employees and code of conduct applicable to union organizing efforts.

The Union and the Company recognize that it is in their mutual interest to enhance the success and image of the Company, to acknowledge the Union as a valued partner, and to foster the pride and commitment of the employees. The parties also share the mutual goals of building a world class, high performance enterprise and addressing employment security through business success and employee development. As a means to enhance these goals, the parties will mutually support regulatory and legislative efforts, marketing/sales and service efforts and other business initiatives leading to employment security and Verizon's business success.

The parties also recognize that the Union's goal of growing membership is intrinsically linked to the successful growth of the business. In order to maintain this perspective and to avoid unnecessary confrontation, the parties agree that the following principles regarding neutrality and consent election will be applicable to Verizon's former "GTE Network Services Companies" (Incumbent Local Exchange Carriers and Logistics) and Verizon Enterprise Delivery, formerly Verizon Select Services. This shall be the exclusive means by which the Union, their locals, or individuals acting on their behalf, will conduct an effort to organize eligible employees in the covered Verizon's former "GTE Network Services Companies" (Incumbent Local Exchange Carriers and Logistics) and Verizon Enterprise Delivery, formerly Verizon Select Services as defined by the National Labor Relations Act.

1. Employee Choice

Both the Union and the Company support and agree with the principle that the decision as to whether or not to become represented by a union is one that does not belong to either the Union or to the Company. Rather, it is an individual decision that belongs to the employee. With the parties' mutual recognition of this fundamental tenet, the following provisions are intended to establish, encourage and nurture an environment during a union organizing drive that will allow employees to choose whether or not to become represented in a fully informed and uncoerced manner. All negotiations concerning appropriate unit, access, conduct and voting will be performed by Verizon Labor Relations Staff in conjunction with local management and designated Union representatives.

2. Neutrality

The Company and the Union agree that an organizing drive will be met by a neutral position by the Company. This statement is consistent with and reinforces the previously established principle of employee choice. It should follow that an environment intended to foster employee choice would be a neutral environment and that information communicated by either party would be fact based and not misleading, distorted or disparaging. Neutrality means the following:

- (a) Management will not be anti-union nor will the Union be anti-management.
- (b) Management will not advocate that employees should not vote for a union to represent them.
- (c) The Unions will be afforded reasonable opportunities for access to employees to get their message communicated.
- (d) Management will respond to employee questions and is obligated to correct inaccurate or misunderstood information by employees.
- (e) The Union(s) will be referred to by name and will not be characterized as a "third party" or "outsider".
- (f) Any written information distributed to employees by either party relative to the organizing campaign will be shared with the other. The parties' communications with employees will be shared with the other. The parties' communications with employees will be in accordance with this Agreement.

- (g) Neither party will hire consultants who encourage an adversarial relationship.
- (h) Neither managers nor Union representatives will be personally attacked.
- (i) Neither the Union nor the Company will be attacked as institutions.
- (j) The Company will not conduct meetings for the sole purpose of discussing organizing activities without inviting appropriate Union representatives to attend.

Allegations of violations of these provisions will be handled via the dispute resolution process contained in this Agreement.

3. Rules

The procedures to be followed are listed below:

- (a) The Union must show a minimum of 50% + 1 show of interest on signature cards of the appropriate unit.
- (b) A vote of 50% + 1 of those votes, validated by the Third Party Neutral (TPN), will determine the outcome.
- (c) If the Union is not successful, another election will not be scheduled for twelve months.
- (d) The TPN will resolve any issue concerning challenged ballots in similar fashion to the National Labor Relations Board (NLRB) process.

4. Time Bound

It is in the interest of both parties that the organizing campaign be conducted expeditiously. The Union is therefore obligated to notify management of its intention to conduct a formal organizing drive before it begins. The date of this notification will "start the clock". The entire campaign, including the consent election, will be concluded in 90 days. It is the intent of the parties that the 90-day time frame will include discussion and agreement on the unit. In the event the parties are unable to agree on the unit, the dispute resolution process set forth below will be utilized and the time period will be extended by the number of days required to reach agreement on the unit, but in no event will the total campaign, including resolution of the scope of the bargaining unit and the consent election process exceed 120 days. If employees vote

not to be represented, the Union agrees not to initiate another campaign (nor continue the current campaign) in that same work group for 12 months from the date of the conclusion of the campaign. This would not preclude the local Union from having contact with the workers in the group. If employees vote to be represented, collective bargaining over the terms and conditions of employment will commence within 60 days and will be limited to the agreed upon unit.

5. Informed Decision

Both parties agree that employees should be fully informed about all aspects of Union representation. The Union will provide fact-based information to employees as it endeavors to convince prospective members of the merits of being represented by a labor union. Management's role during this process will include:

- (a) responding to individual employee inquiries;
- (b) explaining the organizing process, including obligations and responsibilities; and
- (c) correcting any inaccuracies, misstatements or misunderstandings disseminated by the Union.

6. Free from Coercion

Consistent with the basic tenet of employee choice, the parties want to ensure that employees have expressed their choice from an informed position and are completely free from any coercion by the Company, the Union or any other party or parties. One way to ensure this objective is to have a NLRB conducted election.

In the alternative, the Company and the Union agree to use a process that is called "Consent Election." This process will work as follows:

- (1) As part of the access discussions, the parties agree to use "Consent Election".
- (2) The Unions shall initiate the consent election process by providing to a TPN proof of support by means of show of interest cards from 50% + 1 of the employees in the unit. The TPN will then notify Verizon Labor Relations Staff and request a list of names, job titles and home addresses. The Company will furnish the list within five working days. The Union will also be furnished with the list. The "show of interest" cards will clearly state their purpose and that a secret ballot consent election will be conducted to determine the will of the unit. If the TPN determines that the Union has a sufficient show of interest, he/she will schedule a Consent Election process in accordance with this

Agreement.

- (3) The election process will be supervised by a mutually selected TPN, whose role is to ensure the integrity of the process itself, and will be conducted within two weeks of the submission of the Union's show of interest to the TPN. Employees will be asked to express their individual preference in a manner that will ensure that their choice will not be known to either party. The TPN will count the votes and advise the parties of the outcome. Consistent with this Agreement, a vote of 50% + 1 of those who vote will control. The parties may have an observer present when the TPN counts the ballots.
- (4) In all cases, the election process shall take place within 14 days of receipt and verification of the Union's show of interest cards by the TPN. In those cases where there is no dispute about the composition of the unit, the election process will be held within seven days. The election may be held at the Company location or at a neutral site as agreed by the parties. The cost of using a neutral site will be split equally by the parties.

If there is a dispute as to composition of the unit, the TPN shall decide the issue within an additional seven days.

7. Access Agreement

As soon as reasonably practicable after a request by the CWA for access, Verizon Labor Relations Staff, in conjunction with local management and CWA representatives, will meet to discuss the details related to reasonable access to the unit by the CWA representatives. The Union will be allowed reasonable opportunities for access to Verizon facilities. It is the intent and commitment of Verizon and the CWA that the access agreed upon will not interfere with the operation and other normal and routine business activities, plans and programs of Verizon generally, and specifically, the selected unit. Access agreed upon will be in non-working areas and during employee non-working times. Agreements as to eventful access, such as access to conference rooms, will be reasonable in length and there will be reasonable periods between requests for eventful access. However, an uneventful access, such as a prearranged meeting with an individual employee, will not be affected.

If Verizon and the CWA are unable to agree on reasonable access, the TPN will be asked to resolve the issue. Successful access agreements utilized at other units will be looked to for guidance as to what works and is reasonable. Verizon and the CWA commit that they will reach such an access agreement in each instance in an expeditious manner.

8. Dispute Resolution

- (a) Questions or disputes arising during the course of an organizing effort within a particular unit of non-represented employees will, in all cases, be addressed first by and between the parties themselves and, in particular, Labor Relations Staff in conjunction with local Verizon management and appropriate CWA representatives. It is the intent and desire of Verizon and the CWA that such matters are dealt with by and between the parties themselves, particularly at the local level, without having to resort to the assistance of a third party. It is also agreed, however, that if every good faith and reasonable effort has been made, but the matter unresolved, the process described below will be utilized.
- (b) The TPN will resolve disputes in the manner set forth in this Agreement. Either Verizon or the CWA can refer a question or dispute, unresolved after good faith efforts have been made to resolve the dispute locally, to the chosen TPN by providing three working days' written notice to both the other party and the TPN. The notice will provide concise statement of the question or dispute to be addressed and a statement that the parties have attempted in good faith but have been unable to resolve the matter by and between them.
- (c) If the question or dispute involves a matter related to access (i.e., the nature, event, time, location, individuals involved, etc.) the TPN will fully investigate all relevant facts surrounding the question or dispute. The TPN will then call the parties together and attempt to facilitate resolution of or otherwise mediate the matter.

If, after a good faith attempt at facilitated resolution or mediation, the access question or dispute is still not resolved, the TPN will attempt to render an immediate decision, which includes a method or alternative methods of resolving the perceived problem. However, in no event will the TPN take longer than five days thereafter to render a decision. The decision of the TPN will be final and binding and the parties agree to abide by his/her decision. This process, from the time the TPN is contacted to the time his or her opinion is issued, will not take more than 15 days unless the parties agree otherwise.

- (d) If the dispute involves the appropriateness of the bargaining unit the Union seeks to organize and the parties are unable to agree, after negotiating in good faith for a reasonable time, upon the description of an appropriate unit for bargaining, the issue of the description of such unit shall be submitted to TPN and a hearing

shall be conducted consistent with the rules of the American Arbitration Association. The TPN shall be confined solely to the determination of the appropriate unit for bargaining and shall be guided in such deliberations by the statutory requirements of the National Labor Relations Act and the decisions of the NLRB and Appellate reviews of such Board decisions.

- (e) Regardless of the type of question or dispute that is submitted to the TPN, the parties will each be given a full opportunity to present their positions and supporting factual information prior to the issuance of any opinion. No written briefs will be submitted. There shall be no ex parte contact with the TPN without the concurrence of all parties. Verizon and CWA believe that matters pertaining to these values are best handled by and between the parties themselves and resort to a TPN should be necessary in only a limited number of cases.

Verizon and the CWA agree that the parties may distribute a decision of the TPN to employees in the selected unit but not outside to the public such as the press.

- (f) The parties agree that the process set forth herein shall be the exclusive means for resolving disputes covered by this dispute resolution process, and neither party will utilize any other forum (e.g. NLRB, federal court, etc.) to address issues subject to resolution pursuant to this process.
- (g) All expenses, resulting from the use of the TPN process, shall be split equally by Verizon and CWA.

9. Acquisitions and Ventures

The parties recognize the rapidly changing nature and structure of the communications industry. Verizon may acquire (or be acquired by) another entity. It has and may in the future form joint ventures or strategic alliances, may license its brand or technology, or may be a financial investor in other entities. The employees in those entities may be non-represented, represented in whole or in the part of the CWA, or represented in whole or in part by some other labor organization. It is not possible to structure a single rule which will apply to all such circumstances and the Company cannot compel other entities to abide by this Agreement.

**MEMORANDUM OF AGREEMENT
UNION LEAVE OF ABSENCE**

WHEREAS the Communications Workers of America, AFL-CIO (hereafter "CWA" or "the Union"), and Verizon Communications companies which were subsidiaries of the former GTE Corporation (hereafter the "Verizon/GTE Companies" or "the Companies" or "the Company"), have collective bargaining relationships throughout the United States;

WHEREAS former GTE/CWA bargaining unit employees have become full-time employees of the CWA:

WHEREAS the treatment of such CWA employees for Verizon/GTE pension benefit credit varies; and

2. Subject to the terms of the Pension Benefits MOA which is incorporated in the respective Collective Bargaining Agreements, Pension New Hires as set forth in the Pension Benefits MOA are not eligible for pension. Pension New Hires do not actively participate in the pension plan.
3. While on leave of absence status, a Verizon/GTE-Union employee shall accrue Accredited Service under the Verizon/GTE Pension Plan in which the employee actively participated while a bargaining unit employee until either:
 - a. The Verizon/GTE-Union employee ends his/her full-time employment with the CWA; or

 - ii. Effective January 1, 2004, the aggregate length of all such leaves of absence equals twenty (20) years.
3. This provision will apply retroactively, providing that to be eligible for retroactive leave of absence status and pension benefit credits as described hereinabove, the Verizon/GTE-Union employee must have been a current full-time CWA employee on March 1, 2000, and must not have as of that date retired or received a voluntary separation benefit from Verizon/GTE.
4. In the event that any court of competent jurisdiction finds this Agreement to be unlawful, it shall be null and void as of the date of its execution, but Verizon/GTE and the CWA will immediately negotiate in good faith to provide the most equivalent lawful benefit for Verizon/GTE-Union employees.
