Dues

Dues are \$100 and include our team socks and shorts. Jerseys are provided for the players use through the season.

If this is too much of a hardship for your family, please let us know. Full and half scholarships are available. We will not let money stop someone from playing.

Fundraising

We are looking for T Shirt Sponsors this year. We are asking for players to find at least one business to sponsor the shirt this year. **If you raise \$200 in sponsors, your dues will be waived.** We have Kwik Trip cards available for purchase. You buy cards at face value and the club gets 5-15% from Kwik Trip depending on what you use them for.

Equipment

The only thing you need to bring is a pair of cleats and a mouth guard. For indoor practices, you will need tennis shoes. Extra club shorts are available for \$30.

The socks and shorts are yours to keep, but the jersey is the club's property. Most football and soccer cleats will work for rugby. Each player will be responsible for washing his jersey throughout the year.

Bring it to every game!

Practice and Matches

We will begin indoor conditioning and ball handling sessions in February. This is a perfect time for new players to come in and check out rugby and see what it is about. Indoor sessions will be held on Monday nights at 6:30 in the sand volleyball courts at the Watering Hole(2107 Velp Ave).

At that point we hope to move outdoors. Outdoor practices will be held Monday, Wednesday and Friday at a location TBD. They will normally run from 4:30-6:30.
