

Tree Cabins

Occupancy: 40 beds (32 minimum & 48

These four cabins are our newest addition, built in 2007, and a favorite with all campers alike! Each cabin is fully accessible, has 10 beds, a large open floor plan, and indoor restrooms. Separate shower and toilet rooms, with an open sink area between, accommodates numerous guests at one time. Front porches facing a central campfire circle are sure to draw a friendly crowd each evening!
