Primary Sources: Hands-On History

Three workshops for grades 5 – 8
connect students with two historical periods

The Civil Rights Movement *

WWII – The Home Front *

Language Arts & Social Studies Converge: An Introduction to War Propaganda

In-class workshops target core standards using **artifacts, posters, art, and music** from these periods. Working in teams, students practice critical thinking, analysis, and presentation skills, getting a real connection to “textbook” history. Pre and post workshop activities are grade-specific.

Minimum 2 workshops, standard class length, \$250 for 2.
Additional workshops \$100 each.
