

Meet Casey

Casey is a 5 yr old Full size standard red dachshund

Casey's personality can be summed up in one word: Lover.

He is in heaven when he is being cuddled. He loves being outside sunning himself. His tail never stops wagging, and he is a well behaved dog.

Casey is a quick learner. He was housed trained in a week. He learned very quickly not to dart out the door, stop knocking food out of your hand at feeding time, wolfing down his food, eating others food and biting the fingers that feed him.

He has become a great family dog and loves kids. He also gets along with a grouchy girl dog.
