

Seasonal Surveyor Assistants- Edmonton

Scheffer Andrew Ltd. is currently seeking a seasonal Surveyor Assistant.

Scheffer Andrew Ltd. is a medium sized engineering and planning consulting firm, which has operated in Western Canada, primarily Alberta, for more than forty years. We currently have three offices in Alberta with more than 30 employees. Our work focuses on municipal, land development and transportation engineering.

Duties of this position will include, and are not limited to assisting with:

- Topographical surveys, subdivision construction layout, and other Geomatic work.
- Carry equipment and supplies and installing stakes.
- Assisting survey chief as required.

The ideal candidate must be:

- A student returning to school in September.
- Reliable and have a good working ethic.
- Available to work overtime early mornings evenings and weekends.
- Ability to get to Scheffer Andrew office or works site.

For more information about working with Scheffer Andrew Ltd. please visit www.schefferandrew.com . To submit your resume, click on “employment” and you will be directed to SAL career listings.

We thank all interested candidates. Only those selected for interviews will be contacted.
