Youth Council Offers Leadership/Philanthropy Opportunities for Local Schools

The 2019 Youth Advisory Council spent three years May 15 with a rotation of the Mexico City Board of Education for its Middle School and High School programs. The council's work included:

1. Investigating the use of technology in education
2. Exploring ways to improve student engagement
3. Developing strategies for enhancing school resources
4. Addressing issues related to student health and wellness

The council's efforts were recognized by the school board, which acknowledged their valuable contributions. In addition, the council received several awards for their outstanding performance and contributions to the school community.
