Dear Students, Employers and Sponsors of the Ride and Decide Program,

It is with great regret that we have had to announce that our Ride and Decide program has been postponed for this year due to the pandemic.

The safety of our students and employers was one of the main factors in this decision along with the scheduling and the economy. There are just too many unknowns to assure the success of the program.

Thank you for your interest and we hope to see you next year for the 2021 program.

Stay safe and please consider the trades in your employment options, we are “essential.”
