## WHY DO YOU AS A GUARDIAN NEED TRAINING?

You have been appointed by the Court to serve as Guardian of the Person and/or Estate of a Minor or Adult Incompetent.

As Guardian of the Person, there are forms that must be completed at regular intervals.

As Guardian of the Estate, there is money involved and you are required to file an inventory and an annual accountings. You also are required to request permission of the Court to expend funds for care and support of the ward.

These are relatively simple procedures once you understand the Court's expectations.

---

---

Medina County Probate Court now **REQUIRES** all newly appointed guardians in Medina County to attend a free, one hour training. The training will address court procedure for guardianships and court-ordered paperwork requirements for both guardian of the person and guardian of the estate.

After your appointment as guardian, you **must** register for the next scheduled training.

Trained Court Personnel are providing the training and will be available afterward to answer your questions.
