Using Your Account

Animals - See a list of animals and animal groups your veterinarian has entered for you and access certificates directly from each animal/group record.

Agents (Option for Animal Owners only) - Connect your animals to their appropriate Animal Agents (trainers, stables, truck drivers, etc).

Certificates - Access PDF documents including eCVIs, eEIAs and GoPass.

Itineraries - Enter detailed trip information to complete the requirements of GoPass itineraries

Name	Species	Owner	Breed	Gender	Headcount
Cows 2014	Bovine	Ken Williams	Aberdeen Angus	Female	20

Your veterinarian is proud to partner with GlobalVetLINK in their mission to provide the best possible service to clients and improve animal wellness and safety. If you have questions about your MyVetLINK account, contact the GlobalVetLINK support team or your vet.
