

To All Burnet FFA Parents and Friends,

In light of all of the recent developments and current state of COVID-19, the Burnet Parents & Friends has to cancel the Gator Give Away event for this year. At this time, the YMCA will not allow any events to occur until May 1st and, as we all know, that will be subject to the state of the virus in the Nation and World.

We deeply appreciate your generous financial support in past years. This event is our only fundraiser and generates funds that are directly paid forward in scholarships for our outstanding Burnet FFA seniors. We are asking you to consider making donations at a level that you would have expected to spend at the giveaway evening.

The COVID-19 virus has caused much upset for our FFA seniors in regard not only to stock shows being cancelled but most, if not all, of their judging contests were called off as well. Many were counting on money from placing in stock shows that were cancelled. The uncertainty of BHS scheduling adds to their anxiety levels. Some have already lost their after-school jobs or are unable to confirm summer employment that they were counting on using that income this Fall.

The students are disappointed they have not been able to make all of the special items for the event. We would like to have enough items to set up an online auction, but it does not currently seem to be possible.

Our mission is to send our seniors off to colleges and trade schools with the same opportunities that many of their Burnet FFA peers had before them. Your financial gift, at any level, matters so much!

We are very sorry to announce the cancellation. Burnet Parents and Friends will also be offering a full refund to any ticket holders if requested.

Thank you for your patience, understanding, and most of all, for your support for our scholarship program.

Jordan Moore, President
Burnet FFA Parents & Friends

Please cut and include stub below with your scholarship fund gift.
