#### **New Business**

- A. Juniors: There are two different ranking reports the that AKC completes on Juniors. There is a ranking for conformation Juniors and an overall junior ranking that includes performance. S. Souza posed the question as to what the club should award for Juniors. Should the club award just conformation (which the club has done in the past) or the overall award that includes performance? Other discussion included should the award be based on Junior ranking or by club membership, as not all ranked Juniors are a member of the club. S. Souza will provide the Juniors lists for the Board to review. The decision was tabled and will be brought back for further discussion at the next Board meeting. S, Souza will send the information to the Junior Liaison Chairman.

- B. Committee Reports: There was a motion to have committee reports to be submitted quarterly unless there is something important that needs to be addressed was made by S. Souza and seconded by S. Oliver. The motion carried.
