ENTRY FEES SHALL NOT BE REFUNDED in the event that a dog is absent, disqualified, excused by Veterinarian or Judge, or barred from competition by action of Trial Committee. If because of extreme weather, riots, civil disturbances or other acts beyond the control of the management, it is impossible to open or to complete the trial, no refund of entry fees will be made.

JUDGES ARE NOT REQUIRED TO WAIT FOR DOGS. The owner of each dog is solely responsible or having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. If handlers have a ring conflict and so inform the gate steward, every effort will be made to accommodate you.

TRIAL COMMITTEE WILL NOT BE RESPONSIBLE for, nor assume any liability in the event of an accident or misfortune to either dogs or exhibitors participating in this show.

ALL DOGS MUST BE ON LEASH AT ALL TIMES EXCEPT WHEN IN THE RING OR IN THE DESIGNATED WARM-UP AREA. Exhibitors are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior, may, at the discretion of the trial committee, be asked to leave the show site. In such cases, no refund of any fees will be made. All dogs present must be held on leash or confined to their crates at all times except when in the ring or when in the designated agility warm-up area. **All exhibitors must pick up dog waste everywhere on the show grounds.** The site will be monitored and offenders will be asked to leave. In such cases, no refunds will be made.

Additionally, I (we) hereby assume the sole responsibility for and agree to indemnify, defend, and save the aforementioned parties harmless from any and all loss and expense (including legal fees) by reason of the liability imposed by law upon any of the aforementioned parties for damage because of bodily injuries, including death at any time resulting therefrom, sustained by any person or persons, including myself (ourselves), or on account of damage to property, arising out of or in consequence of my (our) participation in this event, however such, injuries, death or property damage may be caused, and whether or not the same may have been caused or may be alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents, or any other persons.

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

I CERTIFY that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered above. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of the American Kennel Club in effect at the time of this event, and by any additional rules and regulations appearing in the premium list for this event, and further agree to be bound by the "Agreement" printed on the reverse side of this entry form. I (we) certify and represent that the dog entered is not a hazard to persons or other dogs. This entry is submitted for acceptance on the forgoing representation and agreement. I (we) agree to conduct myself (ourselves) in accordance with all such Rules and Regulations (including all provisions applying to discipline) and to abide by any decisions made in accord with them.

(Entry form on separate file)**

Regulations for Agility Course Test (ACT)

Section 1. Purpose. The Agility Course Test (ACT) is an entry level agility event to introduce beginning dogs and handlers to the sport of agility and the AKC agility program.

Section 2. ACT Event. There are two levels of ACT events – ACT1 and ACT2. ACT 1 is designed for the beginning level dog to show beginning sequencing and performance skills. ACT2 requires an increased skill level shown by the additional obstacles to be performed.

Section 3. Eligibility of Dogs. All dogs fifteen (15) months of age or older may enter a test. Dogs must be physically sound as described in Chapter 1, Section 3, Paragraph 7 of the Regulations for Agility Trials. In order to acquire the title certificate and have the title added to a dog's record, the dog must be registered/listed with the AKC. Canine Partner applications may be accepted at the test by the judge/evaluator and submitted with test results. Dogs that are not AKC registered/listed may participate and their performance will be recorded by the AKC under a temporary recording number. This temporary recording number will be e-mailed to the owner and must be used when entering subsequent ACT events and when the owner registers/lists the dog. Note: Temporary recording numbers may only be used to enter ACT events.

Section 4. Holding ACT Events. Any AKC club licensed to hold agility trials may hold an ACT event, either in conjunction with an agility trial or as a stand-alone event. An ACT event held in conjunction with an agility trial may be noted in the premium. In addition, any AKC agility judge/ACT evaluator may hold a standalone ACT event. The event does not have to be held by an AKC licensed club. No more than two ACT1 and/or two ACT2 events may be held per day.

No event application to the American Kennel Club is required. ACT events may be held as the graduation exercise for training classes provided they are judged by an AKC agility judge or ACT evaluator. See Section 8 for information about ACT evaluators. Entries may only be accepted if the exhibitor has filled out an ACT entry form. The form must meet all requirements as set forth in Chapter 1, Section 11. Entries may be accepted prior to the event with a predetermined opening and closing date and/or they may be accepted on the day of the event. All applicable regulations in Regulations for Agility Trials will govern the conduct of ACT events. They will apply to any person and dog entered, unless this chapter states otherwise.

Section 5. Ribbons, Rosettes and Awards. Ribbons, rosettes and awards may be awarded at the club/evaluators' discretion. Ribbons must bear a facsimile of the seal of the American Kennel Club, the words "ACT Event." A label may be used to identify the Judge/Evaluator, Class, date of event and be placed on the back of the ribbon. Ribbons must be at least 2 inches wide and 8 inches long. Ribbons shall be the following colors:

First PlaceBlue
Second Place.....Red
Third Place.....Yellow
Fourth Place.....White

Qualifying Score.....Dark Green

Certificates, toys or other awards may be used in place of ribbons to recognize dogs that qualify.

Section 6. Submission of Results and Reports. Results must be submitted as noted in Chapter 1, Section 28. The judge or an ACT evaluator must submit the Test Report in place of Trial Chair and Trial Secretary Reports noted in Chapter 1, Section 28. No event kits will be mailed for ACT events. All forms must be downloaded from the AKC website located under downloadable forms. (www.akc.org/downloadable-forms/)

Section 7. Jump Height Divisions. Dogs may be entered at any of the following jump height divisions: 4, 8, 12, 16, 20 or 24 inches. There is no Regular or Preferred distinction in the ACT program. A jump height card is not required to enter an ACT event, but handlers are encouraged to have their dogs measured if a VMO is available.

Section 8. Judges/Evaluators. Approved AKC Agility Judges or ACT Evaluators may judge ACT tests. Evaluators must have earned a minimum of an AX/AXP title with one dog and pass an ACT Evaluator written test administered by the American Kennel Club.

Section 9. Course Size, Suitability and Facilities. Course areas must be a minimum of 3,500 useable square feet. The course area must be moderately level and clear, and be a minimum of 40 feet wide. Refer to Chapter 4, Sections 1 and 2 for additional information.

Section 10. Course Requirements. All courses must have clearly designated start and finish lines and all obstacles/jumps must be clearly and sequentially numbered. The course layout must be available prior to the walkthrough either by posting it and/or supplying course copies to the exhibitors. Course designs must comply with the current edition of the AKC Agility Judges Guidelines and be submitted for approval to the AKC Agility Department. Courses may be reused by Judges/Evaluators at their discretion.

Section 11. Obstacle and Jump Positions. Refer to Chapter 4, Section 3. The following exceptions are in place for ACT1 and ACT 2:

- Obstacles may not have adjacent entrances in ACT1 and ACT2.
- A course may have less than 50% winged jumps.

Section 12. Approach Angles. Approach angles are determined based on the anticipated path of a 20-inch high jumping dog through the obstacles. Approach angles shall generally not exceed 90 degrees, but must not exceed two times at 135 degrees. Additional consideration for safety maybe needed based on the obstacle being approached and the running surface.

Section 13. ACT1. ACT1 is an entry level test that is open to all dogs that have not earned a title in any AKC Agility class and that meet the age and physical requirements for a regular AKC agility trial (Chapter 1, Section 3). Dogs must have two passing ACT1 scores in order to earn the ACT1 title. Both passing scores may be obtained under the same judge/evaluator. To receive the title certificate and have the title added to a dog's record, the dog must be registered/listed with the AKC.

ACT1 Performance Standards:

- Minimum allowable score required to qualify = 85
- Performance will be judged as set forth in Chapter 5, Sections 4, 5 & 6 with the following exceptions:
 - Run-outs and Refusals will not be judged
 - More than 3 attempts at the next correct obstacle (ascent side of contacts) will result in a Mandatory Elimination and will be signaled with an "F" by the judge/evaluator.
 - The 4 –Paw rule is not in effect.

ACT1 Standard Course Time:

The time for all jump heights is 60 seconds. This is also the maximum course time. The course must be completed in less than 60 seconds.

ACT1 Minimum Obstacles Requirements:

- Quantity =10-12
- Obstacles required, allowed and not allowed - refer to section 15 for chart.
- All obstacles must meet AKC equipment regulations in Chapter 3

Section 14. ACT2. ACT2 is the second level Agility Course Test that is open to all dogs that have not earned a title in any AKC Agility class except an ACT1 title and that meet the age and physical requirements for a regular AKC agility trial (Chapter 1, Section 3). Dogs must have two passing ACT2 scores in order to earn the ACT2 title. Both passing scores may be obtained under the same judge/evaluator. To receive the title certificate and have the title added to a dog's record, the dog must be registered/listed with the AKC. The ACT 2 title will supersede the ACT1 title on a dog's record.

ACT2 Performance Standards:

- Minimum allowable score required to qualify = 85
- Performance will be judged as set forth in Chapter 5, Sections 4, 5 & 6 with the following exceptions:
 - Run-outs and Refusals will not be judged
 - More than 3 attempts at the next correct obstacle (ascent side of contacts) will result in a Mandatory Elimination and will be signaled with an "F" by the judge
 - The 4 –Paw rule is not in effect.

ACT2 Standard Course Time:

The time for all jump heights is 70 seconds. This is also the maximum course time. The course must be completed in less than 70 seconds.

ACT2 Minimum Obstacles Requirements:

- Quantity =11-13
- Obstacles required, allowed and not allowed – refer to section 15 for chart
