

## GYM RENTAL RATES

Capacity: 25 - 50 depending on use

The Gym (also known as our Main Hall) can also be rented as a gym for fitness classes, basketball, yoga classes, and more. While most availability is on weeknights and Sundays, select hours may be available on Friday nights and Saturdays if there is no previously scheduled event activity. Please contact us for possibilities.

Day(s) and Time	Hourly Rate	Minimum Hours
Monday - Thursday, 6:00PM - 10:00PM	\$75	2
Sunday, 7:00AM - 8:00PM	\$100	2

Recurring (monthly or weekly) rentals may receive a discount. Please contact us for details.

The rental rate includes use of the in-room sound system and access to tables and chairs if needed. Rental of the gym does not include any set-up, break-down, or other services. It is not meant for meetings, functions or performances with outside guests. UTEC Event Staff reserve the right to determine whether your intended use is eligible for these listed rates.

Please note that further discount is typically not possible because of related staffing and cleaning expenses. Rental and catering revenue helps to support our programs and program participants, and we pride ourselves in the services we offer. We appreciate you choosing UTEC!
