It's almost time for the 2<sup>nd</sup> Annual Giddings New Horizons Lions Club Brain Power Five & Dime - 5K & 10K Run/Walk. Thanks to our sponsors, participants, and volunteers, last year's race raised over \$5000.00 for Alzheimer's research. The event attracted 188 runners and walkers who came in from Arizona, Oklahoma, and all over Texas to support this cause. We have big plans for our 2013 run, with goals of hosting 300+ participants and raising \$10,000.00 for Alzheimer's research.

Our club is promoting this event as a service project. Except for small cash prizes and medals awarded to the winners, 100% of the proceeds will be donated to the Fisher Center for Alzheimer's Research Foundation. The Fisher Center is a nationally recognized organization that is widely regarded as one of the leading non-profit Alzheimer's research groups.
