

Inscribed Brick Program

St. Cloud Main Street and the VFW Post 3227 is offering a unique opportunity to honor your family, business, or loved one with an inscribed brick(s) to be placed in the Veteran's Reflection Garden at the corner of New York Ave. and 10th Street or beside the VFW on New York Ave.

To assure your Tribute is successful, the following shall apply:

- Applicant(s) must complete this application and receive final approval from the Sexton or designee.
- Each clay brick costs \$50.00 and shall be payable to *St. Cloud Main Street*.
- Each clay brick is 8"x4" in size. Note: small punctuation marks such as periods, commas, and quotations do not sandblast well on bricks.
- Each clay brick has up to three (3) lines and thirteen (13) characters imprinted per line. This includes spaces. Note: dashes, slashes, hearts and exclamation marks may be used.
- It is recommended that many combinations can be accomplished by two or more bricks placed together.
- There will be a waiting list of ten (10) purchased bricks before any are inscribed. The Sexton or designee will notify the applicants.

Disclaimer: In the event the brick or bricks are vandalized by human and/or destroyed by the elements of nature, *St. Cloud Main Street/VFW Post 3227* are not responsible for the replacement of the brick(s). A new application and charge will be required if the applicant wishes to start the process again.
