2018

*There aren't many places that can say this:*

Eureka Springs has 80+ eateries, yet only 3 of those are chain franchises. Every restaurant, bistro and cafe in the Historic District is locally owned and operated. Some offer ethnic family recipes. Others offer high-cuisine and others offer that Urban-South down-home cookin'. Most of the eateries use only locally grown fresh vegetables, proteins, fruits, coffee wines and sauces. Many specialize in Vegan. Your foodie experience is guaranteed to be one-of-a-kind!
