Hospital Bulletin

July 2018

I am proud to again be your Hospital Chairman for 2018 – 2019. The Hospital Program to me is the reason we are an organization, to support our Veterans and their families. It is very rewarding to volunteer not only in VA facilities but in hospitals and nursing homes also.

Our Hospital National Ambassador for 2018 – 2019 is Vickie Rosse her program goals are:

- Spotlight Suicide Prevention & Mental Health Issues
- Volunteer: Recruitment, Recognition, & Support
- Veterans Voices Writing Project

Over the next year I will share with you the many ways we can achieve these goals.
