This class builds upon Horsemanship 1 and it is designed to help take yourself and your stock past green no matter your discipline. Jerry teaches the dynamics of body frame with softness and the importance of correct body control. This class focuses on advancing from the Snaffle bit or Hackamore to bit suitable for yourself and your stock and be able to build towards a more refined and precision ride. Open to ALL equine; horses, mules and donkeys.

Exercises Covered:

- * Introduction to body control; learning to separate all the body parts
- * Introduction to leg yields
- * Walk, trot and lope with control
- *Understanding an active leg
- *Understanding a soft feel
- *Correct stop and back up
- *Riding with attention to detail of movement
