Let Experience be Your Guide

## **DIRECTOR OF SURGICAL SERVICES – PHOENIX, ARIZONA**

**WEBCO HR, Inc.** is seeking a Director of Surgical Services for one of our clients located in Phoenix, Arizona.

### **SUMMARY:**

When you join this Community Built on Care, you will find a diverse team of dedicated nurses who work together with one goal: to provide quality, compassionate care in the communities they serve. You will have the opportunity to create meaningful connections and work alongside team members who are passionate about improving patients' lives. The organization values employees' growth and work hard in cultivating a nurturing work environment where you can develop your skills as a nursing professional.

### **RESPONSIBILITIES:**

Department administrator. Establishes and enforces policies, procedures, standards and objectives. Directs and supervises staff as well as workflow. Position has budgetary or fiscal accountability. Responsible 24 hours a day for the ongoing effective operation of the assigned Nursing department by exerting a leadership role which supports the hospital's mission, vision, goals and objectives, while focusing on the patients, physicians, employees, volunteers and the community as customers. Ongoing accountability for the continuous assessment, improvement, coordination and integration of the department services and standards of care into the hospital's primary function. Position is responsible for approving timekeeping, employee evaluation, meeting applicable regulatory standards, approving supply orders and department strategic planning.

### **REQUIREMENTS:**

- Bachelor of Science degree in Nursing, Business Administration, Management or related field, or equivalent minimum experience requirements.
- Master of Science degree in Nursing preferred.
- Five years of experience in nursing management in a hospital setting with three years of supervisory experience required.
- Current Arizona Registered Nurse License.
- Training in wound care and hyperbaric therapy from a nationally recognized provider.
- WOCN Certification for Wound Care preferred.
- Must be able to utilize independent decision-making skills in a wide variety of situations.
- Requires a high degree of accuracy in the performance of varied responsibilities.
- Personal computer skills required.
- Frequent contact with employees, physicians, customers, community individuals and volunteers.

- Must be self-motivated to complete work in a timely manner to meet deadlines. Computer skills required.
- Supervises Nursing staff.

**COMPENSATION:**

- \$137,000 - \$155,000
- Full Benefits

**THE COMPANY:**

Our client is a community built on care. Their caregivers and supporting staff extend compassion to those in need, helping to improve the health and well-being of those they serve, and provide comfort and healing. The community is their community.

**WEBCO HR, Inc.** is an Equal Opportunity Employer
