

Imagine you and your friends privately joining Chef Nicola as he inspires you through authentic, regional Italian food and teaches you to use all your senses while cooking.

Gather around Chef Nicola in our private fireplace room to chat, learn the finesse of a true Italian Executive chef and taste the tradition and cultural significance of Italian food.

Speranza and Chef Nicola will help you create a cooking class theme just for your group or you can choose from our innovative themed packages.

Cooking classes to accommodate 14 – 24 people who desire an exclusive, personal cooking experience Italian style.

And of course, we offer wine pairing upon request.

Please contact Speranza for more information.
