

This Thursday, September 5th, is our next meeting at 10 am at the Weber Road Church of Christ. With school underway, the students will be parking in the main parking lot, but there should be open spots on the last few rows. There are also reserved spots by the side door that you can use. Both doors will be open.

Buttons will be our program. So, ladies...are you ready to "BUTTON UP"?? A local lady who belongs to the National Button Society will tell us all about buttons. She will be first on the agenda.

Our business meeting will follow the program. If you have any items for the agenda, please let me know.

Then, we will share OUR button stories and OUR button embellished items (garments, gifts, jewelry, home décor...). So...bring your lunch, a friend and enjoy the day! Also, we will have an APRON PARADE during show-and-tell, so bring your apron and other show-and-tell items!

The September Snack Ladies have last names starting with N-O-P.

You will also get your membership and publicity cards at the meeting.

As usual, the freebie table, Member-sale table, and support-the-youth table will be ready for your items. On the Member-sale table...you price the item and collect the money. For the "Youth" table...please give items to Ida Hansen or Minerva Neely for pricing. These items do not need to be sewing related, but should be in good condition.

Sew-x-cited!...Jean
