**GOOD NEWS CLUBS**

GNC of Southern Nevada is not expecting to have opportunity in the public schools until the pandemic subsides.

1. Pray for the pandemic to subside
2. Praise God that GNC has sponsored some special summer events called 'Good News Clubs in the Park', where kids, parents and teachers gathered for a fun and instructive time in various parks around Las Vegas.
3. Pray for wisdom for GNC leadership as to how to proceed with ministry to kids.
4. Mike Barth reports that the Boulder City volunteers continue to look for a location where a Good News Club can meet, outside of the public schools.
