

Tina's Garden Gourmet Cafe

Fine Thai Fusion

Welcome

Here at Tina's Garden Gourmet Cafe, we serve Family Style dishes, crafted from as many locally-sourced and organic ingredients as possible, including fresh coconut milk! This means that our dishes are made to order, and are designed to be shared. Since our ingredients are fresh and locally sourced, we may have limited supply based on availability. Be sure to ask your friendly wait staff for information about your favorite dishes and they will also do their best, to let you know if certain dishes are not available.

We recommend that you make reservations, as our dining area is quite limited and in high demand. We also recommend pre-ordering 2 days in advance, for large groups of 12 or more, to ensure availability of fresh ingredients and seating for your desired dining schedule.

Tina is our Sole Chef, and personally prepares every dish, to ensure quality. Your dishes will be served as soon as they are completed, though not necessarily simultaneously. Enjoy!

We offer four distinct spice levels

- | | |
|-------------------|--|
| Mild | No spice is added to the existing recipe, excellent choice for children. |
| Medium | A moderate amount of spice is added and provides healthy, well-rounded chili flavor. |
| Spicy | A higher heat level designed to bring on a light sweat, and a pleasant burn to the tongue, while maintaining balanced, deep flavor. |
| Thai Spicy | For the spice aficionado! This option yields exceptionally spicy food with a complex flavor profile. It is both delicious and serious. |
